

**UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF FLORIDA
PENSACOLA DIVISION**

SPORT & WHEAT, CPA, PA,

Plaintiff,

v.

Case No. 3:20cv5425-TKW-HTC

SERVISFIRST BANK, INC., et al.,

Defendants.

_____ /

ORDER

This case is before the Court on Plaintiff's motion for extension of time (Doc. 76). Because the motion is opposed (*see* Doc. 77), the Court would typically hold it for the 14-day response period in the local rules; however, because the response period will not expire until after the date to which Plaintiff is requesting the extension, the Court finds it necessary to shorten the response period.

The Court considered dispensing with a response and granting the requested extension of time because the motion appears to be supported by good cause¹ and it does not appear that Defendants would be prejudiced by the extension, particularly

¹ The Court understands that ServisFirst previously agreed to a 7-day extension of the deadline for Plaintiff to respond to its motion to dismiss and that it should not take Plaintiff as long to respond to the remaining motions to dismiss because they are substantially similar to the motion that Plaintiff already responded to; however, Plaintiff's proposal to respond to all of the remaining motions in a single response rather than three separate responses would seem to promote judicial economy.

since the Court does not intend to act on any of the motions until they are all ripe. However, the Court elected not to dispense with the response because it is possible the Court is overlooking something that would warrant denial of the motion.

Accordingly, it is **ORDERED** that:

1. Defendants shall have until noon (central time) on July 10, 2020, to respond to Plaintiff's motion for extension of time.
2. The deadline for Plaintiff to respond to ServisFirst's motion to dismiss is tolled pending disposition of the motion for extension of time.

DONE and ORDERED this 8th day of July, 2020.
