About Us About PPP FAQ Press Releases Contact Us [Login](#)

Our company is not affiliated with Blue Acorn ICI. Please do not contact Blue Acorn ICI in connection with your PPP loan. For inquiries related to your PPP loan, please [contact our customer support team](#).

We've Helped over 500,000 Self-Employed People Get Over \$8 Billion in PPP Loans.

We are currently unable to accept new applications for PPP loans, due to high volumes, limited SBA funds, and the program's upcoming 5/31 expiration.

If your application is SBA approved, you can rest assured that your funds are secure and they will be transferred to your account ASAP. If you have applied for a PPP loan but have not yet received SBA approval, we will continue to process your application and keep you updated on the status.

We know how important it is to keep the backbone of the American economy running. We are doing all we can to advocate for another round of PPP, to get you the funds you need and deserve.

Empowering small businesses everywhere.
