Re: 4:20-CR-00327-JED

Your Honor:

This office represents Mr. James in the above-referenced matter. Mr. Adams is scheduled to surrender to FPC Montgomery on Wednesday March 9 2022 before 2:00 pm. I am writing today, to respectfully request, that Mr. James be given a four-week extension on his surrender. Your Honor, I am aware that I am submitting this request the day before surrender and apologize for not being able to communicate Mr. James' request at an earlier time.

1

We are submitting this request because Mr. James has a pending civil matter which must be resolved before the 8th of April. If it is not, Mr. James is at risk of a judgment and will almost certainly lose his home. We have made every attempt to have this matter resolved before tomorrow but have been unsuccessful. If the matter is resolved in the interim, Mr. James is willing and would prefer to turn himself in prior to whatever date the court extends the time to as he is ready to begin.

I have reached out to AUSA Victor Regal regarding this matter when the civil case was adjourned, but was unable to obtain consent as I have not heard back. It is my hope, that you will grant Mr. James this extension until April 9th, 2022, despite the lateness of the request.

Please feel free to contact me at your earliest convenience. I thank you for your attention and your kind courtesies in this matter.

Respectfully submitted,

Donte Mills
