Re: United States v. Adedayo Ilori
21 Cr. 746 (MKV)

Dear Judge Vyskocil:

I am in receipt of the Court's Order filed earlier today. By this letter, I respectfully request a one week extension of the due date for the defense filing to July 17, 2023 and a concurrent government response extension to July 21, 2023 (the government has graciously agreed to a shorter turn around date). The reason for the requested extension is that I will be out of the office from today through July 5, 2023 and have a medical procedure on July 7, 2023. The government, by Assistant United States Attorney Juliana Murray consents to this request. This is the first application for this relief and the Speedy Trial Act is not implicated.

After the defense filing and prior to the government's response, the parties will confer with each other and Chambers to schedule the sentencing hearing. Defendant Ilori also respectfully reminds the Court that he has a pending "Auth 24" in the E-voucher system for approval for the Southern District Reporters to provide him with the sealed portion of the trial transcript.

Thank you for Your Honor's consideration of this application and attention to these matters.

Very truly yours,
Sanford Talkin
