Trial Order

This case is set to begin trial on **Monday June 3, 2024, at 9:00 A.M.** at the Wilkie D. Ferguson, Jr. United States Courthouse, 400 N. Miami Avenue, Courtroom 12-3, Miami, Florida. The Court **orders** the parties to file their proposed voir dire questions (*following the guidelines set forth in the Court's scheduling order setting trial date* (ECF No. 14 at 2)) by **May 28, 2024**, and their witness lists and exhibit lists by **May 30, 2024**. The Court will read the parties' witness lists to the prospective jurors during the selection process. Consequently, the parties should endeavor to tailor their witness lists to include only those witnesses whom they reasonably believe they will call to testify. If a party does not intend to call any witnesses or to proffer any exhibits, the party must file a *Notice* informing the Court that he or she will not be filing a witness or exhibit list. This *Notice* is due by **May 30, 2024**.

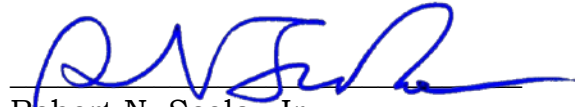

The Court **further orders** the parties to file their proposed jury instructions jointly, though they need not agree on each proposed instruction. If the parties both agree on a proposed instruction, that instruction must be set out in regular typeface. Instructions proposed only by the Government must be underlined. Instructions proposed only by the Defendant must be **bold-faced**. Every instruction must be supported by a citation of authority. The parties must use as a guide the Eleventh Circuit Pattern Jury Instructions for Criminal Cases, including the directions to counsel. The parties must jointly file their proposed jury instructions (including a verdict form) via CM/ECF, and must also submit their proposed jury instructions and verdict form to the Court via e-mail at scola@flsd.uscourts.gov in Word format (.doc) by **June 3, 2024**.

The Court **further orders** the Government to submit a Word (.doc) version of the Superseding Indictment (ECF No. 23) to the Court via e-mail at scola@flsd.uscourts.gov. This editable version of the Superseding Indictment is necessary in case the Court needs to provide the jury with a redacted version of

the Superseding Indictment. The Government must submit (via e-mail) this editable version of the Superseding Indictment by **June 3, 2024**.

Additionally, in accordance with this Court's Order Setting Trial Date, the Government must turn over to defense counsel all anticipated Jencks Act material no later than **June 3, 2024**, at 9:00 a.m.
