**TRIAL STIPULATION REGARDING
COMMUNICATIONS BY WIRE IN INTERSTATE COMMERCE**

The United States of America and Defendant Alexandra Acosta (the “Defendant”), through their respective undersigned counsel, hereby stipulate and agree to the following facts:

As alleged in Count 4, the disbursement of SBA loan number 1554728404 from Lender 1 in the approximate amount of \$20,180, by Automated Clearing House transfer to SunTrust Bank account number ending in 7279, was a communication transmitted by wire in interstate commerce on or about February 4, 2021. Among other things, Lender 1’s server that initiated the disbursement of the loan was in Pennsylvania, and the ACH transfer to SunTrust Bank account number ending in 7279 was sourced form Lender 1’s bank, which was a bank headquartered in Tennessee.

The United States and the Defendant further stipulate and agree that the United States would prove the above-stated facts beyond a reasonable doubt with evidence admissible at trial under the Federal Rules of Evidence, including, but not limited to, testimony and records from Lender 1.
