RESCHEDULING AND EXCLUDABLE DELAY ORDER

The defendants have filed unopposed motions to extend the time to file pretrial motions and to continue the pretrial conference, on the grounds of defense counsel needing more time to review voluminous discovery [Docs. 75, 76, 77, 78 and 79]. The government has no objection to these continuances. The motions for continuance are **GRANTED** and the pretrial motions shall be due on February 22, 2021, and the pretrial conference shall be held on **February 24 , 2021 at 10:30 AM**, in Courtroom 1879, 18th Floor, United States Courthouse, 75 Ted Turner Drive, S.W., Atlanta, Georgia.

The Court finds that counsels' need to complete the review of all of the discovery constitutes good cause for the continuance and that the interests of justice,

therefore, outweigh Defendants' and the public's rights to a speedy trial. Accordingly, the Clerk is **DIRECTED** to exclude any additional time pursuant to 18 U.S.C. § 3161(h)(7)(A), (B)(iv).

IT IS SO ORDERED, this 21st day of December, 2020.

ALAN J. BAVERMAN
UNITED STATES MAGISTRATE JUDGE
