BlueVine Client Care

Our team is experiencing high call volume and working diligently to process PPP applications. Due to high demand, it can take up to several days to process your application once tasks are accurately completed. If you have additional questions, contact us at cares@bluevine.com or [1 \(888\) 216-9619](tel:18882169619) Mon-Fri 8am-8pm EST.

Rates for the Paycheck Protection Program ("PPP") are at 1%. PPP loans are made by one or more approved U.S. Small Business Administration ("SBA") lenders. Loan agreements will identify the appropriate lender to small businesses at signing. Funds are limited, and may not be available at this time. Once funds are available, qualified applications will be submitted to the SBA. BlueVine does not guarantee that applications will be processed and submitted before PPP funds are no longer available. There are no fees for applying for PPP. Approval and loan forgiveness are subject to your ability to meet government-set eligibility requirements.
