Proceedings: VIDEO HEARING re Motion for Review/Reconsideration of Order Setting Conditions of Release/Detention [263]

Case called. Attorneys state their appearances. Also attending is Dalayna Ecklund Pretrial Services/US Probation Officer. All appearances, including the Court, are made by video.

The U.S. Marshals fail to produce the defendant for the proceeding. Defendant's counsel places an oral waiver of appearance for the proceeding on the record.

Hearing held. The Court finds that there is no condition or set of conditions that would assure the Court of defendant's appearance in future proceedings. The Court further finds that the defendant poses a flight risk.

The Court orders that the defendant shall remain in custody.
