Subject: RE: Missing Exhibits

Nicholas – Thank you for your email. The references to government exhibits 7, 8 and 9 are citation errors, not omissions. We will update the summary chart exhibits to reflect the corrected citations and re-circulate.

Subject: Missing Exhibits

Counsel:

The summary witness charts produced by the government reference exhibits that were not produced. The government's June 1 Trial Exhibits list does not include entries for exhibits 7, 8 or 9, nor have those exhibits been provided to defendants in the electronic exhibit binders provided after June 1. The government's failure to identify or produce exhibits 7, 8, and 9 by June 1 violates the Court's April 26, 2021 Order, Dkt. 295 ("The government shall produce its witness and exhibit lists at least two weeks prior to trial, but no later than June 1, 2021."), making those exhibits inadmissible at trial. Defendants therefore request that you provide updated summary witness charts that do not rely on exhibits 7, 8, or 9.

Regardless of the inadmissibility of those exhibits, defendants request that the government produce those exhibits immediately.

Regards,

Nicholas P. Silverman
