UNITED STATES OF AMERICA

vs.

JOSHUA BELLAMY,

Defendant.

INFORMATION

The United States Attorney charges that:

GENERAL ALLEGATIONS

At all times material to this Information:

The Paycheck Protection Program

1. The Coronavirus Aid, Relief, and Economic Security (“CARES”) Act was a federal law enacted in or around March 2020 and designed to provide emergency financial assistance to the millions of Americans who are suffering the economic effects caused by the COVID-19 pandemic. One source of relief provided by the CARES Act was the authorization of forgivable loans to small businesses for job retention and certain other expenses, through a program referred to as the Paycheck Protection Program (“PPP”).

2. In order to obtain a PPP loan, a qualifying business submitted a PPP loan application, which was signed by an authorized representative of the business. The PPP loan application required the business (through its authorized representative) to acknowledge the program rules and make certain affirmative certifications in order to be eligible to obtain the PPP loan. In the PPP

loan application (Small Business Administration (“SBA”) Form 2483), the small business (through its authorized representative) was required to provide, among other things, its: (a) average monthly payroll expenses; and (b) number of employees. These figures were used to calculate the amount of money the small business was eligible to receive under the PPP. In addition, businesses applying for a PPP loan were required to provide documentation confirming their payroll expenses.

3. A PPP loan application was processed by a participating lender. If a PPP loan application was approved, the participating lender funded the PPP loan using its own monies. While it was the participating lender that issued the PPP loan, the loan was 100% guaranteed by the SBA. Data from the application, including information about the borrower, the total amount of the loan, and the listed number of employees, was transmitted by the lender to the SBA in the course of processing the loan.

4. PPP loan proceeds were required to be used by the business on certain permissible expenses—payroll costs, interest on mortgages, rent, and utilities. The PPP allowed the interest and principal on the PPP loan to be entirely forgiven if the business spent the loan proceeds on these expense items within a designated period of time and used a defined portion of the PPP loan proceeds on payroll expenses.

The Defendant, Related Entities and Individuals

5. Drip Entertainment, LLC (“Drip Entertainment”) was a Florida corporation with its listed principal address in Miami, Florida.

6. Defendant **JOSHUA BELLAMY**, a resident of Pinellas County, Florida, was the sole manager of Drip Entertainment.

7. Bank 1 was a financial institution based in Fort Lee, New Jersey, that was insured by the Federal Deposit Insurance Corporation ("FDIC"). Bank 1 was an approved SBA lender of PPP loans.

8. Bank Processor 1 was a third-party company processor, based in Redwood City, California, that processed PPP loan applications for Bank 1.

9. Individual 1 was a resident of Broward County, Florida.

10. Wyleia Williams was a resident of Broward County, Florida.
