Reporter: C. Ott

Currently on calendar for Monday, January 31, 2022, at 11:30 a.m. is a hearing on Defendants' Motion to Dismiss. (Dkt. 84). The Court finds the Motion suitable for decision without oral argument, and so the hearing is **VACATED**. The Court will not require appearances in this matter on January 31, 2022. If counsel for the Defendant or for Plaintiffs and the Proposed Class believes that oral argument on any point would be useful in resolving the issues raised by the Motion, that counsel should file, on or before **January 31, 2022**, an *ex parte* motion asking the Court to re-set the hearing and identifying the issues for argument.

Date: January 24, 2022
