

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF CALIFORNIA

IN RE: BANK OF AMERICA CALIFORNIA
UNEMPLOYMENT BENEFITS LITIGATION

Case No.: 21md2992-LAB (MSB)

**ORDER GRANTING JOINT MOTION FOR
EXTENSION OF TIME TO FILE REPLY
PAPERS AND SUA SPONTE CONTINUING
DEADLINE [ECF NO. 259]**

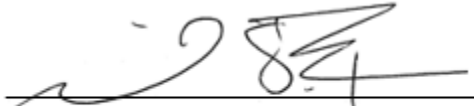

On February 14, 2024, Plaintiff Lindsay McClure (“Plaintiff”) filed an Ex Parte Motion seeking an order compelling non-party TTEC Government Solutions, LLC (“TTEC”) to comply with a subpoena. (ECF No. 220.) The following day, the Court issued a briefing schedule for the motion. (ECF No. 221.) TTEC timely filed its Response on February 23, 2024. (ECF No. 222.) Now pending before the Court is the parties’ Joint Motion for Extension of Time to File Reply Papers (hereinafter, “Joint Motion”). (See ECF No. 259.) The Court previously granted extensions of time for this discovery dispute on March 1, 2024, and March 12, 2024. (See ECF Nos. 228 & 239.)

In the instant Joint Motion, Plaintiff explains that Plaintiff’s motion to compel and TTEC’s opposition have “led to productive meet and confer discussions . . . [and] the production of substantial materials.” (ECF No. 259 at 2.) The parties believe additional discussions regarding the production of documents are “likely to lead to a near

1 complete resolution of the present discovery dispute.” (Id.) They request the deadline
2 to file reply papers be continued from April 5, 2024, to April 29, 2024. Finding good
3 cause, the Court **GRANTS** the Joint Motion. The deadline for Plaintiff to file a Reply is
4 **SUA SPONTE CONTINUED** to **May 10, 2024**. Plaintiff is **ORDERED** to serve TTEC with a
5 copy of this Order.

6 **IT IS SO ORDERED.**
