ORDER

Before the Court is Plaintiffs IQVIA Inc., IQVIA AG, and Dimensions Healthcare LLC's ("Plaintiffs") Motion to Seal (Dkt. 100) portions of Plaintiffs' Opposition to Defendants' Motion to Stay (the "Opposition").

The Motion to Seal seeks to have certain portions of the Opposition permanently sealed from public view because Defendants have designated such information as confidential pursuant to the Protective Order in *MedImpact Healthcare Sys., Inc. v. IQVIA Inc.* ("*MedImpact I*"), No. 3:19-cv-01865-GPC-DEB, Dkt. 382, and because certain portions reference submissions in connection with an arbitration that are subject to a confidentiality agreement. The disclosure of such information would subject Defendants to a risk of substantial harm or prejudice.

Based on the foregoing, the Court finds there exist compelling reasons to seal the requested information in Plaintiffs' Opposition, and this Motion to Seal is therefore GRANTED. It is ORDERED that identified portions shall be SEALED until further order of this Court.

IT IS SO ORDERED.
