**DECLARATION OF GEOFFREY GRABER
IN SUPPORT OF PLAINTIFFS' MOTION
FOR CLASS CERTIFICATION**

Hon. Edward M. Chen

DECLARATION OF GEOFFREY GRABER

I, Geoffrey Graber, declare as follows:

1. I am an attorney duly licensed to practice law in the State of California and admitted in this Court. I am a partner with the law firm of Cohen Milstein Sellers & Toll PLLC ("Cohen Milstein"), and counsel for Plaintiffs and the class in the above-captioned matter. I have personal knowledge of the facts set forth in this Declaration. If called as a witness, I could and would competently testify as to these facts under oath. I submit this declaration in support of Plaintiffs' Motion for Class Certification.

2. Cohen Milstein is one of the largest, most successful, and most respected plaintiffs' class action firms in the country. Cohen Milstein has earned recognition as a "class-action powerhouse" (Forbes), "the most effective law firm in the U.S. for lawsuits with a strong social and political component" (Corporate Legal Times), one of "America's 25 Most Influential Law Firms" (The Trial Lawyer), and one of the "Most Feared Plaintiffs Law Firms" (Law360). Cohen Milstein's reputation is reflected in the firm's successes. For over 45 years, Cohen Milstein has recovered tens of billions of dollars on behalf of injured plaintiffs. Some examples include: *In re Lidoderm Antitrust Litigation* (N.D. Cal.) (\$104.75 million settlement for end-payors alleging delay in generic launch); *In re Flint Water Cases* (E.D. Mich.) (\$625 million settlement for Flint residents in environmental toxic tort class action); *Khoday v. Symantec Corp.* (D. Minn.) (class action on behalf purchasers of e-commerce sellers that resulted in a \$60 million settlement); *In re Urethane Antitrust Litig.* (D. Kan.) (\$835 million class action settlement after obtaining the largest price-fixing jury verdict in U.S. history); and *In re Electronic Books Antitrust Litig.* (S.D.N.Y.) (\$566 million class action settlement). A true and correct copy of Cohen Milstein's firm resume is attached as Attachment A.

3. Cohen Milstein's Consumer Practice Group has also been recognized as a leader in the field - by courts, peers, and the legal press - for work on a wide range of consumer issues, ranging from financial services to data privacy to false and deceptive advertising of traditional consumer products. Cohen Milstein is a firm of approximately 100 lawyers and an equal number of administrative and professional staff. The Consumer

1 Practice Group is comprised of 10 attorneys and 3 paralegals. The attorneys who will be most
2 active in this litigation are: Geoffrey Graber, Karina Puttieva, and Victoria Nugent.

3 4. I, Geoffrey Graber, have significant experience prosecuting class actions and
4 other complex litigation. I have been an attorney for over 22 years, first working as a
5 commercial litigator at large defense firm (Morrison & Foerster LLP), then in government at
6 the United States Department of Justice, and finally as a plaintiff's attorney at Cohen
7 Milstein. As a partner in the Consumer Protection Group at Cohen Milstein, I represent
8 consumers in several substantial, complex class action cases involving issues of privacy and
9 data breaches, false advertising, fraud, and other forms of unfair business practices. These
10 cases include *In re Anthem, Inc. Data Breach Litig.* (N.D. Cal.), where I worked on the lead
11 counsel team representing a class of nearly 80 million Americans whose information was
12 hacked. The case settled for \$115 million -- the largest data breach settlement at the time. I
13 also led the firm's successful litigation efforts against Facebook in a class action challenging
14 Facebook's systemic inflation of its video advertising metrics, *LLE One v. Facebook, Inc.* (N.D.
15 Cal.) which settled for \$40 million. I am currently leading the firm's litigation efforts in *Ariza,*
16 *et al. v. Luxottica Retail N. Amer., Inc. d/b/a LensCrafters* (E.D.N.Y.), a certified multi-state class
17 action alleging various violations of consumer protection statutes, including California's
18 Unfair Competition Law. I am also litigating *DZ Reserve, et al. v. Meta Platforms, Inc.* (N.D.
19 Cal.), which challenges Facebook's deliberate inflation of its core "Potential Reach" metric
20 used by advertisers, and have successfully obtained class certification in March 2022 on
21 behalf of millions of advertisers.

22 5. As an associate in the Consumer Protection Group at Cohen Milstein, Karina
23 Puttieva has experience litigating complex class action cases involving issues of privacy and
24 data breaches, false advertising, fraud, and other forms of unfair business practices. These
25 cases include *Adkins et al. v. Facebook, Inc.* (N.D. Cal.), where she worked on the lead counsel
26 team representing a class of millions of Facebook users whose information was exposed in
27 the 2018 data breach. This case was successfully certified for injunctive relief and settled in
28 2021, resulting in significant changes to Facebook's security practices. Ms. Puttieva is

1 currently litigating *DZ Reserve, et al. v. Meta Platforms, Inc.* (N.D. Cal.), which challenges
2 Facebook's deliberate inflation of its core "Potential Reach" metric used by advertisers, and
3 successfully obtained class certification in March 2022 on behalf of millions of advertisers.
4 She is also litigating *Speerly et al. v. General Motors, LLC* (E.D. Mich.), as part of the lead
5 counsel team representing millions of consumers who bought GM vehicles equipped with
6 defective 8-speed transmissions. Ms. Puttieva has a background in data privacy, including
7 as a data privacy and cybersecurity associate at a large defense firm (Nixon Peabody LLP)
8 prior to joining Cohen Milstein. She received her law degree from University of California,
9 Berkeley's School of Law.

10 6. As a partner at Cohen Milstein, Victoria Nugent has overseen significant
11 consumer fraud investigations and litigation on behalf of the state Attorneys General of
12 Nevada, New Mexico, Pennsylvania, New Jersey, Indiana, and Vermont – as well as class
13 actions brought on behalf of consumers under the laws of numerous states. In recognition of
14 this work, Ms. Nugent was elected to the American Law Institute in 2022 and named among
15 Lawdragon's "500 Leading Lawyers in America" for 2019 – 2021, as well as Lawdragon's
16 "500 Leading Plaintiff Consumer Lawyers" (2020), and The National Law Journal's
17 "Plaintiffs' Lawyers Trailblazers" (2017). She is currently Co-Chair of the Consumer Practice
18 Group. Ms. Nugent's work in the Consumer Practice Group has included groundbreaking
19 litigation in the digital economy: *Keithly v. Intelius, Inc.* (W.D. Wash.) and *Ferrington v. McAfee*
20 (N.D. Cal.) (successfully challenging negative option marketing on heavily trafficked
21 "people search" and digital security platforms and securing class-wide relief under state
22 consumer protection laws); *DZ Reserve v. Facebook* (N.D. Cal.) (active litigation successfully
23 challenging Facebook's systematic inflation of its user base to overstate key metrics in
24 advertising sales); *Underwood v. Facebook* (Sup. Ct. Alameda Cty.) (active litigation alleging
25 Facebook's liability for encouraging and fostering anti-government violence on the
26 platform).

27 7. Cohen Milstein has extensive experience successfully litigating consumer
28 protection cases with Gibbs Law Group, including *In re Anthem, Inc. Data Breach Litig.* (N.D.

1 Cal.) and *LLE One v. Facebook, Inc.* (N.D. Cal.).

2 8. Ms. Puttieva, Ms. Nugent, and I have closely reviewed all the materials in this
3 case (including, but not limited to the complaint, motion to dismiss briefing and order, status
4 reports, discovery letter briefs, and the instant motion for class certification), and are familiar
5 with the operative facts in this case. Cohen Milstein is fully committed to prosecuting this
6 case and working collaboratively with Gibbs Law Group to zealously advocate on behalf of
7 the named plaintiffs and proposed class of consumers.

8
9 I declare under penalty of perjury that the foregoing is true and correct.

COHENMILSTEIN

COHEN MILSTEIN SELLERS & TOLL PLLC

For decades, Cohen Milstein Sellers & Toll PLLC has represented individuals, small businesses, institutional investors, and employees in many of the major class action cases litigated in the United States for violations of the antitrust, securities, consumer protection, civil rights/discrimination, ERISA, employment, and human rights laws. Cohen Milstein is also at the forefront of numerous innovative legal actions that are expanding the quality and availability of legal recourse for aggrieved individuals and businesses both domestic and international. Over its history, Cohen Milstein has obtained many landmark judgments and settlements for individuals and businesses in the United States and abroad. The firm's most significant successes include:

- In re Ranbaxy Generic Drug Application Antitrust Litigation No. 1:19-md-02878-NMG (MDL No. 2878) (D. Mass.): On September 19, 2022, the Court granted final approval of a \$485 million global settlement to resolve claims against Ranbaxy in this antitrust, federal RICO, and state consumer protection MDL for allegedly manipulating the U.S. Food and Drug Administration's generic drug approval process to block competitors from coming to market and forcing purchasers to pay supracompetitive prices for its valganciclovir hydrochloride and valsartan products. Of the \$485 million global settlement, \$340 million will go to the certified class of Direct Purchasers. Cohen Milstein represented the certified Direct Purchaser Class.
- FirstEnergy Shareholder Derivative Litigation (S.D. Ohio, N.D. Ohio): On August 23, 2022, the Court granted final approval of a \$180 million global settlement of all shareholder derivative cases, including Employees Retirement System of the City of St. Louis and Electrical Workers Pension Fund, Local 103, IBEW v. Charles E. Jones, FirstEnergy Corp., et al., (S.D. Ohio) that of Miller v. Anderson (N.D. Ohio) and In re FirstEnergy Corp., Stockholder Derivative Litigation, (Crt. of Common Pleas, Summit County). Plaintiffs represent that the settlement is "among the largest derivative recoveries ever achieved" in the United States and "three times greater than any prior derivative recovery in the history of the Sixth Circuit." Moreover, under the terms of the settlement, FirstEnergy will commit to a series of internal governance reforms, including the departure of six Directors, active Board oversight of FirstEnergy's political spending and lobbying activities, specific disclosures in the annual proxy statement issued to shareholders.
- Dignity Health Church Plan Litigation No. 3:13-cv-01450 (N.D. Cal.): Cohen Milstein is co-counsel to a class of defined benefit participants, which alleges that Dignity Health is improperly claiming that its pension plans are exempt from ERISA's protections because they are "church plans," and as a result has underfunded its plans by over \$1.2 billion. In June 2017, the Supreme Court reversed previous rulings on consolidated church plan cases and ordered plaintiffs, in this case, to file an amended complaint. On July 15, 2022, the Court granted final approval to the \$100 million settlement.
- Jock et al. v. Sterling Jewelers Inc. No. 11 160 0065508 (AAA; S.D.N.Y.): On June 23, 2022, the Arbitrator granted preliminary approval of a \$175 million settlement in this rare, closely watched certified class arbitration, filed under Title VII of the Civil Rights Act of 1964 (Title VII) and the Equal Pay Act ("EPA"). The lawsuit, which involved approximately 70,000 claimants, was litigated before the AAA, the United States District Court for the Southern District of New York, and the United States Court of Appeals for the Second Circuit and involved novel legal issues and rulings related to class certification, class arbitration, and the threshold role of an arbitrator. On October 5, 2020, the Supreme Court declined to hear the petition for certiorari, allowing the case to move forward to trial as a certified class arbitration before the AAA.
- In re Pinterest Derivative Litigation No. 3:20-cv-08331-WHA (N.D. Cal.): On June 9, 2022, the Court granted final approval of a \$50 million settlement in this consolidated shareholder derivative lawsuit. The settlement is the first of its kind to embrace diversity goals around a company's product. It also requires Pinterest to commit \$50 million to a holistic set of workplace and Board-level reforms designed to protect employees

from discriminatory treatment and to promote diversity, equity, and inclusion (DEI) throughout its workplace and product.

- L Brands, Inc. Derivative Litigation No. 2:20-cv-03068-MHW-EPD (S.D. Ohio): Cohen Milstein, in partnership with the State of Oregon, the Oregon Public Employees Retirement Fund, and other shareholders, helped resolve allegations that officers and directors of L Brands, Inc., previous owners of Victoria's Secret, breached their fiduciary duties by maintaining ties with alleged sex offender and pedophile Jeffrey Epstein and fostering a culture of discrimination and misogyny at the company. Following a Delaware General Corporate Law Section 220 books and records demand and an extensive, proprietary investigation, L Brands and the now-standalone company, Victoria's Secret, agreed to stop enforcing non-disclosure agreements that prohibit the discussion of a sexual harassment claim's underlying facts; stop using forced arbitration agreements; implement sweeping reforms to their codes of conduct, policies and procedures related to sexual misconduct and retaliation; and to invest \$45 million each, for a total of \$90 million, in diversity, equity and inclusion initiatives and DEI Advisory Councils. On May 16, 2022, the Court granted final approval of this watershed settlement.
- In re Broiler Chicken Antitrust Litigation No. 1:16-cv-08637 TMD (N.D. Ill.): On December 20, 2021, the Court granted final approval to settlements worth \$181 million with six chicken processors, Tyson Foods, Fieldale Farms, Peco Foods, George's Inc., Pilgrim's Price Corp. and Mar-Jac, to resolve consumer claims that they conspired to inflate broiler chicken prices since 2009 and that Agri Stats, Inc., a third-party vendor, facilitated their unlawful scheme. Litigation against the dozen remaining defendants continues. Cohen Milstein was Co-Lead Settlement Class Counsel.
- In re Flint Water Cases No. 16-cv-10444 (E.D. Mich.): On November 10, 2021, the Court granted final approval of a landmark \$626.25 million settlement between Flint residents and businesses and multiple governmental defendants, including the State of Michigan, Michigan Department of Environmental Quality (DEQ), and individual defendants, including former Governor Rick Snyder, in this environmental toxic tort class action, affecting over 90,000 Flint residents and businesses. Litigation continues against other defendants, including two private engineering firms, Veolia North America and Lockwood, Andrews & Newnam (LAN), both charged with professional negligence, and separate litigation against the U.S. Environmental Protection Agency will also continue. Cohen Milstein's is Interim Co-Lead Class Counsel in this litigation.
- Sutter Health Antitrust Litigation No. CSG 14-538451 (Sup. Ct., San Fran. Cnty., Cal.): On August 27, 2021, the Court granted final approval of a \$575 million eve-of-trial settlement, which includes significant injunctive relief, in this closely-watched antitrust class action against Sutter Health, one of the largest healthcare providers in California, for restraining hospital competition through anticompetitive contracting practices with insurance companies. Cohen Milstein was one of five firms that litigated this case since 2014 on behalf of a certified class of self-insured employers and union trust funds against Sutter Health. California's Attorney General joined the suit in March 2018.
- National Opioids Litigation: On July 21, 2021, the state Attorneys General of Indiana, New Jersey, and Vermont announced historic settlement agreements, totaling \$704.8 million as a part of a \$26 billion national agreement with the nation's three major pharmaceutical distributors, Cardinal Health, McKesson, and AmerisourceBergen, and opioids manufacturer Johnson & Johnson for their roles in promulgating the opioid epidemic in each of their states. (New Jersey's settlement with J&J/Janssen – \$137.8 million; Indiana's settlement with the distributors and J&J/Janssen – \$507 million; Vermont's settlement with the distributors and J&J/Janssen – \$60 million) In addition, the courts ordered numerous injunctive relief requirements of the Defendants. Cohen Milstein represented the state Attorneys General of Indiana, New Jersey*, and Vermont in investigations and litigation against these entities. *J&J/Janssen only. Final approval of the resolution in the litigation against Purdue Pharma and the Sackler family is pending in bankruptcy court.

- State Attorneys General PBM Investigations & Litigation: We serve as special counsel to more than a dozen state Attorneys General in their respective investigations of the pharmacy benefit managers (PBMs) that provide pharmacy benefits and services to their state's Medicaid program and state employee health plans. The PBMs under investigation include Centene's Envolv Pharmacy Solutions, OptumRx, Express Scripts, and CVS Caremark. In Ohio alone, the investigations have led to litigation against Centene, OptumRx and Express Scripts, for their alleged role in breaching provider agreements with the state. Since June 2021, we have helped achieve over \$400 million in settlements with Centene for our state Attorney General clients, including: Ohio, Mississippi, Illinois, Arkansas, and New Mexico. We are working with other state Attorneys General to finalize their settlements with Centene that will return hundreds-of-millions of dollars back to these states
- Jien, et al. v. Perdue Farms, Inc., et al., No. 1:19-cv002521-ELH (D. Md.): Since July 20, 2021, the Court has preliminarily approved the first seven settlements against more than a dozen of the nation's largest poultry producers, totaling \$134.6 million, in this novel wage-fixing conspiracy class action. Plaintiffs allege that, since 2000, Tyson Foods Inc., Perdue Farms Inc. and other poultry processors conspired to depress the compensation of poultry processing workers in violation of the federal antitrust laws. The case is at the vanguard of the movement in antitrust law to protect workers. The Department of Justice filed a case against certain poultry processors based on the class action complaint which was the result of an independent private factual investigation. Cohen Milstein serves as Interim Co-Lead Counsel.
- Breen v. U.S. Department of Transportation and Federal Aviation Administration No. 1:05-cv-00654 (D.D.C.): In April 2021, the U.S. Department of Transportation and Federal Aviation Administration agreed to a record-breaking \$43.8 million settlement – the largest age discrimination settlement ever involving the federal government, ending a 16-year-old age discrimination lawsuit involving 670 former Flight Service Specialists, who were laid off in 2005 when the FAA conducted a reduction in force. More than 90% of these workers were over 40 years old and many lost their federal pension benefits.
- In re Alphabet Shareholder Derivative Litigation No. 19CV341522 (Sup. Ct. Cal., Santa Clara Cnty.): Cohen Milstein, as Co-Lead Counsel, represented Northern California Pipe Trades Pension Plan and Teamsters Local 272 Labor Management Pension Fund in this shareholder derivative action seeking to hold Alphabet's leadership accountable for a "culture of concealment," which involved covering up pervasive gender discrimination and sexual harassment and approving secretive, multi-million dollar payouts to high-level executives credibly accused of serious sexual misconduct against junior employees. In November 2020, the Court granted final approval of a historic settlement, which includes a \$310 million funding commitment and sweeping reforms to eliminate practices that silence victims and implement new measures to improve workplace equity and board oversight.
- Department of Homeland Security, et al. v. Regents of the University of California, et al. No. 18-587 (U.S. Supreme Court): In June 2020, the Supreme Court blocked the Trump Administration's plan to rescind the Deferred Action for Childhood Arrivals (DACA) program, preserving immigration protections for approximately 650,000 current DACA recipients aka "Dreamers." The Court's 5-4 ruling upheld the partial summary judgment in Cohen Milstein's NAACP case (D.D.C.) – one of three cases consolidated before the Supreme Court. The Opinion stated that the Court's affirmance of the NAACP order vacating the rescission made it unnecessary to examine the propriety of the nationwide preliminary injunctions that were issued in the consolidated cases. Cohen Milstein's case: NAACP, et al. v. Donald J. Trump, as President of the United States, et al., No. 1:17-cv-01907 (D.D.C.) was consolidated with and re-named: Trustees of Princeton University, et al. v. U.S. et al., No. 1:17-cv-02325 (D.D.C.).

Lead Counsel in a derivative shareholder lawsuit against certain officers and directors of Wynn Resorts, Ltd., arising out of their failure to hold Steve Wynn, the former CEO and Chairman of the Board, accountable for his longstanding pattern of sexual abuse and harassment of female employees. In March 2020, the Court granted final approval of a \$90 million settlement in the form of cash payments and landmark corporate governance reforms, placing it among the largest, most comprehensive derivative settlements in history.

- National Association of the Deaf v. Harvard & MIT (D. Mass.): In February 2020 and June 2020, Cohen Milstein and co-counsel successfully settled the second of two groundbreaking class actions on behalf of deaf and hearing-impaired individuals. The landmark settlements are historic because they require two of the most lauded academic research institutions in the world to include closed captioning on all content, including videos and podcasts, available to the public online, establishing a precedent for academia and business worldwide.

Pa.): Cohen Milstein served as co-lead counsel for a class of direct purchasers of drywall against drywall manufacturers for price-fixing. The court approved settlements that total more than \$190 million. The court commented that it had sided with plaintiffs because of counsel's "outstanding work," and that plaintiffs' counsel had a "sophisticated and highly professional approach." It complemented the attorneys as "highly skilled" and noted that their performance on class action issues was "imaginative." It also stated, "Few cases with no government action, or investigation, result in class settlements as large as this one."

Combined with earlier settlements obtained from Bayer, Huntsman, and BASF, the Dow settlement pushed the total settlements in the case to \$974 million. The settlement was approved on July 29, 2016.
- United States of America et al., ex rel. Lauren Kieff, v. Wyeth No. 03-12366 (D. Mass.): Cohen Milstein was co-lead counsel in this False Claims Act whistleblower case against pharmaceutical giant Wyeth (subsequently acquired by Pfizer), in which the whistleblowers alleged that Wyeth defrauded Medicaid, the joint federal/state healthcare program for the poor, when it reported falsely inflated prices for its acid suppression drug Protonix from 2001 through 2006 for Medicaid rebate purposes. Weeks before trial, in February 2016, in one of the largest qui tam settlements in U.S. history, Wyeth agreed to pay \$784.6 million to the U.S. government and the over 35 intervening states.
- RALI MBS Litigation No. 08-8781 (S.D.N.Y.): On July 31, 2015, Judge Katherine Failla gave final approval to a \$235 million settlement with underwriters Citigroup Global Markets Inc., Goldman Sachs & Co., and UBS Securities LLC. She also approved a plan for distribution to investors of those funds as well as the previously approved \$100 million settlement with RALI, its affiliates, and the individual Defendants that was reached in in 2013. This global settlement marks an end to a long and complicated class action over MBS offerings that RALI and certain of its affiliates issued and sold to the New Jersey Carpenters Health Fund and other investors from 2006 through 2007. The case took seven years of intense litigation to resolve.
- In re: Bear Stearns Mortgage Pass-Through Certificates Litigation No. 08-08093 (S.D.N.Y.): On May 27, 2015, U.S. District Judge Laura Taylor Swain finally approved a class action settlement with JPMorgan Chase & Co., which agreed to pay \$500 million and up to an additional \$5 million in litigation-related expenses to resolve claims arising from the sale of \$27.2 billion of mortgage-backed securities issued by Bear Stearns & Co. during 2006 and 2007 in 22 separate public offerings.
- Harborview MBS Litigation No. 08-5093 (S.D.N.Y.): In February 2014, Cohen Milstein reached a settlement with the Royal Bank of Scotland (RBS) in the Harborview MBS Litigation, resolving claims that RBS duped investors into buying securities backed by shoddy home loans. The \$275 million settlement is the fifth largest class action settlement in a federal MBS case. This case is one of eight significant MBS actions that Cohen Milstein has been named lead or co-lead counsel by courts and one of three that were nearly thrown out by the court, only to be revived in 2012.
- In Re Electronic Books Antitrust Litigation No. 11-md-02293 (S.D.N.Y.): In August 2014, a New York federal judge approved a \$400 million antitrust settlement in the hotly contested ebooks price-fixing suit against Apple Inc. Combined with \$166 million in previous settlements with five defendant publishing companies, the final settlement totaled more than \$560 million. The settlement resolves damages claims brought by a class of ebook purchasers and attorneys general from 33 U.S. states and territories.
- Countrywide MBS Litigation No. 2:10-cv-00302 (C.D. Cal.): In April 2013, plaintiffs in the landmark mortgage-backed securities (MBS) class action litigation against Countrywide Financial Corporation and others, led by Lead Plaintiff, the Iowa Public Employees' Retirement System (IPERS), agreed to a \$500 million settlement. It is the nation's largest MBS-federal securities class action settlement. The settlement was approved in

December 2013 and brings to a close the consolidated class action lawsuit brought in 2010 by multiple retirement funds against Countrywide and other defendants for securities violations involving the packaging and sale of MBS. The settlement is also one of the largest (top 20) class action securities settlements of all time.

- In re Beacon Associates Litigation No. 09-cv-0777 (S.D.N.Y.): Class action settlement of \$219 million for trustees and participants in ERISA-covered employee benefit plans whose assets were lost through investments made on their behalf by Beacon Associates LLC I & II in the investment schemes of Bernard Madoff.
- In re Plasma-Derivative Protein Therapies Antitrust Litigation No. 09 C 7666 (N.D. Ill.): After four years of litigation, in October of 2013, CSL Limited, CSL Behring LLC, CSL Plasma, Inc. (collectively, “CSL”), and the Plasma Protein Therapeutics Association (“PPTA”) agreed to pay \$64 million dollars to settle a lawsuit brought by the University of Utah Hospital and other health care providers alleging that CSL, the PPTA, and Baxter agreed between 2003-2009 to restrict the supply of immunoglobulin and albumin and thereby increase the prices of those therapies. Two months later, Baxter International Inc. and Baxter Healthcare Corp. (collectively “Baxter”) agreed to pay an additional \$64 million to settle these claims – bringing the total recovery to the class to \$128 million.
- Keepseagle v. Vilsack Civil Action No. 1:99CV03119 (D.D.C.): A class of Native American farmers and ranchers allege that they have been systematically denied the same opportunities to obtain farm loans and loan servicing that have been routinely afforded white farmers by the USDA. A class was certified in 2001 by Judge Emmet Sullivan, District Judge for the U.S. District Court for the District of Columbia, and the D.C. Circuit declined USDA’s request to review that decision. On October 19, 2010, the case reached a historic settlement, with the USDA agreeing to pay \$680 million in damages to thousands of Native American farmers and ranchers and forgive up to \$80 million worth of outstanding farm loan debt.
- In re Parmalat Securities Litigation No. 1:04-md-1653 (S.D.N.Y.): Cohen Milstein, as co-lead counsel, successfully negotiated several settlements totaling approximately \$90 million, including two settlements with Parmalat’s outside auditors. Judge Lewis A. Kaplan remarked that plaintiffs’ counsel “did a wonderful job here for the class and were in all respects totally professional and totally prepared. I wish I had counsel this good in front of me in every case.” Parmalat’s bankruptcy filing was the biggest corporate bankruptcy in Europe, and in December 2003, the U.S. Securities and Exchange Commission filed a suit charging Parmalat with “one of the largest and most brazen corporate financial frauds in history.” During the litigation, the company subsequently emerged from bankruptcy, as a result we added “New Parmalat” as a defendant because of the egregious fraud committed by the now-bankrupt old Parmalat. New Parmalat strenuously objected and Judge Kaplan of the Southern District of New York ruled in the class plaintiffs’ favor, a ruling which was affirmed on appeal. This innovative approach of adding New Parmalat enabled the class to obtain an important additional source of compensation, as we subsequently settled with New Parmalat for shares worth approximately \$26 million.
- Dukes v. Wal-Mart Stores, Inc. No. C-01-2252 (N.D. Cal.): Cohen Milstein is co-lead counsel in this sex discrimination case. In 2004, the U.S. District Court certified a nationwide class action lawsuit for all female employees of Wal-Mart who worked in U.S. stores anytime after December 26, 1998. This was the largest civil rights class action ever certified against a private employer, including approximately 1.5 million current and former female employees. That ruling was appealed, and while affirmed by the Ninth Circuit, was reversed by the Supreme Court in June 2011. Cohen Milstein argued the case for the plaintiffs-respondents in the Supreme Court. Since then, the *Dukes* action has been amended to address only the Wal-Mart regions that include stores in California, and other regional class cases have been or are soon to be filed. This litigation to resolve the merits of the claims – whether Wal-Mart discriminates against its female retail employees in pay and promotions – continues.

- Rubin v. MF Global, Ltd. No. 08-CV-02233 (S.D.N.Y.): Acting as co-lead counsel in this class action, the Firm represented the Central States, Southeast and Southwest Areas Pension Fund which was one of the co-lead plaintiffs in the case. In September 2010, as a result of Plaintiffs' decision to appeal, the U.S. Second Circuit Court of Appeals vacated in part the lower court's dismissal of the case and remanded the case for further proceedings. In overturning the District Court decision, the Second Circuit issued a decision which differentiated between a forecast or a forward-looking statement accompanied by cautionary language -- which the Appellate Court said would be insulated from liability under the bespeaks caution doctrine -- from a factual statement, or non-forward-looking statement, for which liability may exist. Importantly, the Second Circuit accepted Plaintiffs' position that where a statement is mixed, the court can sever the forward-looking aspect of the statement from the non-forward-looking aspect. The Court further stated that statements or omissions as to existing operations (and present intentions as to future operations) are not protected by the bespeaks caution doctrine. Mediation followed this decision and resulted in a settlement comprised of \$90 million in cash.
- Hughes v. Huron Consulting Group No. 09-CV-04734 (N.D. Ill.): Cohen Milstein represented lead plaintiffs the Public School Teachers' Pension & Retirement Fund of Chicago and the Arkansas Public Employees Retirement System ("APERS") in this case against Huron Consulting Group, founded by former Arthur Anderson personnel following its collapse in the wake of the Enron scandal. In August 2010, the District Court for the Northern District of Illinois denied defendants' motions to dismiss in their entirety and upheld plaintiffs' allegations that defendants intentionally improperly accounted for acquisition-related payments, which allowed plaintiffs to move forward with discovery. The case was settled for \$40 million, comprised of \$27 million in cash and 474,547 shares in Huron common stock, with an aggregate value at the time of final approval in 2011 of approximately \$13 million.
- In re Lucent Technologies Securities Litigation No. 00-621 (D.N.J.): A settlement in this massive securities fraud class action was reached in late March 2003. The class portion of the settlement amounts to over \$500 million in cash, stock and warrants and ranks as the second largest securities class action settlement ever completed. Cohen Milstein represented one of the co-lead plaintiffs in this action, a private mutual fund.
- Nate Pease, et al. v. Jasper Wyman & Son, Inc., et al. No. 00-015 (Knox County Superior Court, Me.): In 2004, a state court jury from Maine found three blueberry processing companies liable for participating in a four-year price-fixing and non-solicitation conspiracy that artificially lowered the prices defendants paid to approximately 800 growers for wild blueberries. The jury ordered defendants Cherryfield Foods, Inc., Jasper Wyman & Son, Inc., and Allen's Blueberry Freezer, Inc. to pay \$18.68 million in damages, the amount which the growers would have been paid absent the defendants' conspiracy. After a mandatory trebling of this damage figure under Maine antitrust law, the total amount of the verdict for the plaintiffs is just over \$56 million. The firm served as co-lead counsel.
- In re StarLink Corn Products, Liability Litigation MDL No. 1403 (N.D. Ill.): Cohen Milstein successfully represented U.S. corn farmers in a national class action against Aventis CropScience USA Holding and Garst Seed Company, the manufacturer and primary distributor of StarLink corn seeds. StarLink is a genetically modified corn variety that the United States government permitted for sale as animal feed and for industrial purposes, but never approved for human consumption. However, StarLink was found in corn products sold in grocery stores across the country and was traced to widespread contamination of the U.S. commodity corn supply. The Firm, as co-lead counsel, achieved a final settlement providing more than \$110 million for U.S. corn farmers, which was approved by a federal district court in April 2003. This settlement was the first successful resolution of tort claims brought by farmers against the manufacturers of genetically modified seeds.

- Snyder v. Nationwide Mutual Insurance Company No. 97/0633 (Sup. Ct. N.Y. Onondaga Cnty.): Cohen Milstein served as one of plaintiffs' principal counsel in this case on behalf of persons who held life insurance policies issued by Nationwide through its captive agency force. The action alleged consumer fraud and misrepresentations. Plaintiffs obtained a settlement valued at more than \$85 million. The judge praised the efforts of Cohen Milstein and its co-counsel for having done "a very, very good job for all the people." He complimented "not only the manner" in which the result was arrived at, but also the "time ... in which it was done."
- Oncology & Radiation Associates, P.A. v. Bristol Myers Squibb Co., et al. No. 1:01CV02313 (D.D.C.): Cohen Milstein has been co-lead counsel in this case since its inception in 2001. Plaintiffs alleged that Bristol-Myers Squibb unlawfully monopolized the United States market for paclitaxel, a cancer drug discovered and developed by the United States government, which Bristol sells under the brand name Taxol. Bristol's scheme included a conspiracy with American BioScience, Inc., a generic manufacturer, to block generic competition. Cohen Milstein's investigation and prosecution of this litigation on behalf of direct purchasers of Taxol led to a settlement of \$65,815,000 that was finally approved by U.S. District Judge Emmet G. Sullivan on August 14, 2003 and preceded numerous Taxol-related litigations brought by the Federal Trade Commission and State Attorneys General offices.
- Kruman v. Christie's International PLC, et al. No. 01-7309 (S.D.N.Y.): A \$40 million settlement on behalf of all persons who bought or sold items through Christie's or Sotheby's auction houses in non-internet actions was approved in this action. Cohen Milstein served as one of three leading counsel on behalf of foreign plaintiffs. The Court noted that approval of the settlement was particularly appropriate, given the significant obstacles that faced plaintiffs and plaintiffs' counsel in the litigation. The settlement marked the first time that claims on behalf of foreign plaintiffs under U.S. antitrust laws have been resolved in a U.S. court, a milestone in U.S. antitrust jurisprudence.
- Roberts v. Texaco, Inc. 94-Civ. 2015 (S.D.N.Y.): Cohen Milstein represented a class of African-American employees in this landmark litigation that resulted in the then-largest race discrimination settlement in history (\$176 million in cash, salary increases and equitable relief). The Court hailed the work of class counsel for, *inter alia*, "framing an imaginative settlement, that may well have important ameliorative impact not only at Texaco but in the corporate context as a whole ...".
- Trotter v. Perdue Farms, Inc. No. 99-893 (D. Del.): This suit on behalf of hourly workers at Perdue's chicken processing facilities – which employ approximately 15,000 people – forced Perdue to pay employees for time spent "donning and doffing," that is, obtaining, putting on, sanitizing and removing protective equipment that they must use both for their own safety and to comply with USDA regulations for the safety of the food supply. The suit alleged that Perdue's practice of not counting donning and doffing time as hours worked violated the Fair Labor Standards Act and state law. In a separate settlement with the Department of Labor, Perdue agreed to change its pay practices. In addition, Perdue is required to issue retroactive credit under one of its retirement plans for "donning and doffing" work if the credit would improve employees' or former employees' eligibility for pension benefits. Cohen Milstein was co-lead counsel.
