- 1 Does not include traffic arrests.
 2 Violent crimes are offenses of murder and nonnegligent manslaughter, rape, robbery, and aggravated assault. Property crimes are offenses of burglary, larceny-theft, motor vehicle theft, and arson.
 3 The rape figures in this table are aggregate totals of the data submitted based on both the legacy and revised Uniform Crime Reporting definitions.
 4 Drunkenness is not considered a crime in some states; therefore, the figures vary widely from state to state.
 5 Includes arrests reported by the District of Columbia Fire and Emergency Medical Services: Arson Investigation Unit and the Metro Transit Police. These agencies have no population associated with them.
 6 See 2018 arrest data information in the data declaration for further explanation.
 7 The Florida arrest counts for offenses against the family and children, drunkenness, disorderly conduct, vagrancy, suspicion, and curfew and loitering law violations are included under the category *All other offenses*.
 8 Limited data for 2018 were available for Iowa.
 NOTE: Because the number of agencies submitting arrest data varies from year to year, users are cautioned about making direct comparisons between 2018 arrest totals and those published in previous years' editions of *Crime in the United States*. Further, arrest figures may vary widely from state to state because some Part II crimes are not considered crimes in some states.
