PROCEEDINGS

Status Conference - held

SUMMARY

Parties stated appearances.

Parties are still awaiting the Ninth Circuit's decision on Defendants' Rule 23(f) petition for permission to appeal the Court's order granting class certification.

The Court accepted parties' proposed schedule. Both parties say the complexity of the case and working with expert witnesses' schedules require this longer timeline.

Plaintiff notes their UCL claim may require a bench trial but in light of potential claim for damages, the Court will schedule a 7–10-day jury trial with an **October 14, 2025** start date.

Further status conference set for 01/09/2023 at 2:30PM. This date may be accelerated if the Ninth Circuit rules on the 23(f) petition before then. The Court directed parties to discuss ADR in advance of the next conference.

CASE CONTINUED TO: **January 9, 2024, at 2:30 PM for a Status Conference.** Joint status report due by 1/2/2024.
