To whom it may concern:

I'm writing this letter as a character reference for Cameron Henderson. I have known and worked with Mr. Henderson for approximately three months. I can confirm that he is a person of good character and integrity. During my relationship with Mr. Henderson, I have experienced an individual who shows up early for work, works hard and carries themselves in a polite, respectable manner. Mr. Henderson is always willing to lend a helping hand and has made a positive impact of the youth we serve. Mr. Henderson is a truthful, conscientious, and responsible person. In addition, Mr. Henderson has shared his journey with becoming a new father to a precious baby girl that he's expressed he loves dearly.

Therefore, I respectfully ask that you consider this letter as a testament to Mr. Henderson's good character and the positive impact Mr. Henderson is having on those around him.

Thank you for time with reading this letter. If you have any questions or require further information, please don't hesitate to contact me.
