Re: *Your pro se* §2255.

Dear Carl,

I have received a filed copy of the Title 28 USC § 2255 Petition which you recently filed *pro se*. In light of the allegations you make against me therein, I am moving to withdraw as your attorney. I do not know what the Court(s) will do at this juncture, but I predict you will be brought over to court soon for a hearing to determine who will represent you at sentencing. The Court may or may not appoint new counsel for you. I do not know. You can also ask to represent yourself, but this is always a terrible idea. Good luck to you.

Sincerely,

s/ L. Burton Finlayson
