UNOPPOSED MOTION FOR EXTENSION OF
TIME TO FILE PRETRIAL MOTIONS

Defendant CARLA JACKSON, through his counsel, respectfully
requests a 60-day time extension through December 21, 2020 in which to
file pretrial motions in this case. In support, Defendant states the following:

1.

Ms. Jackson is named in the above referenced indictment charging her
with money laundering violations under 21 U.S.C. § 1956. Ms. Jackson's
pretrial conference is scheduled for October 23, 2020 with pretrial motions
presently due by October 21, 2020.

2.

The Government has mailed its initial discovery out to undersigned
counsel, which counsel is still reviewing and discussing with Defendant.
Counsel understands that the Government will be producing additional
discovery to defendants. Counsel would appreciate additional time from the

Court to review this new discovery, and the original produced discovery, and to discuss these materials with Defendant. Counsel will also need to determine if any pretrial motions should be filed. Counsel's current caseload obligations also factor into his request for the instant time extension.

3.

Because of the above, **Defendant requests an extension through December 21, 2020 in which to file any pretrial motions, a 60-day extension from the current deadline.**

4.

Undersigned counsel has discussed Defendant's time extension request with AUSA Nathan Kitchens and Mr. Kitchens has indicated that the Government has no objection.

5.

Defendant further requests that the time extension in which to file pretrial motions be excluded under the Speedy Trial Act, pursuant to 18 U.S.C. § 3161(h)(7).

Respectfully submitted this 19th day of October, 2020.
