

Exhibit 3

"To Whom this May Concern"

I'm Lillian Adele Nelson Smith Carlos Mother, I am 74 years of Age. My Dad was Julius B Smith Senior. He is no longer living. He died about 15 years ago of a heart attack after working 25 years for City of Chicago to take care of his 4 kids and a wife. Carlos Father raised him with valuables. He told me his wife to stay home, raise them while I went to work, they need mom to be there for them, to go to School Assembly, Trips, to be there to give them structure. Make sure they made it to School every day. My Husband was a strong family man. Carlos didn't hang the streets, we lived with Rules and Values. Carlos ~~was~~ went to South Shore High, ~~but~~ School where gangs tried to run the place. Gangs through Carlos through Walgreens Window & Gang Bangers, because he would join them. He was raised with morals.

and Dignity, that's how he was raised. (Graduated top of his class) went to the Air Force because his dad and I didn't want him to Sur come all of the way. I was a Home Maker made sure my kids had structure, in there twelve years in the Air Force Carlos became a Man with values. He was always trying hard, as a kid he shoveled snow trying to make money, he delivered papers for grocery stores, was always trying hard, he was kind to everyone, Generous if he had a dime all his friends could get a nickel from him. Carlos as a Man, try to take care of everyone he knows, he paid friends bills, he bought friends food, bought his Neighbors cars so they can get back to work to school, always there for Mom, Sisters, brother even Strangers. I told him, Carlos you can not save the world anything Mom, need, he always ~~was~~ there. Cousins, Aunts, Uncles, Friends, Family, in his mom, I told him

Carlos, you're not God, you can't
 Save Everyone, he can't get a
 dime from anyone if he needs
 it, when he was incarcerated he
 couldn't get a dime from anyone
 but his family, Carlos is too
 Generous whether you believe it
 or not, I swear to God, I would
 not lie, but he a Human Being
 that takes care of everyone
 I'm the proudest Mom of all
 my heart cry for him, he's so
 Warm, Wonderful, He has a
 heart for everyone that need
 he help everyone he knows,
 I'm his Mom I know you think
 I'm Bias, some time my heart
 hurt for him trying to save
 the poor world,
 His Character is Wonderful
 Because he's too Caring,
 The reason he went to Jail is
 trying to help everyone He said
 Mom I'm tired of all my friends
 being poor so he gave them money
 they should not have got from
 their income tax, I cried and

Said to him, you Can't Not
Gave the 3000, if he Could
he would have And he Payed
for it, not them, if thats not
