UNITED STATES OF AMERICA,

Case No. 2:22-mj-30125

Plaintiff,

vs.

JAVA DOMINIQUE CARTER,

Defendant.

ORDER TO AMEND THE CONDITIONS OF BOND

The Court has considered the parties' stipulation and joint motion to amend the conditions of bond. For the reasons described in the parties' submission, and after considering all factors, the Court finds that the ends of justice are served by granting the parties' request to amend the conditions of bond to permit the Defendant to travel outside of the Eastern District of Michigan so long as the Defendant first notifies the pretrial services office, the pretrial supervisor or the Court as to the travel plans to include location and duration of travel.
