

UNITED STATES DISTRICT COURT
MIDDLE DISTRICT OF FLORIDA
FORT MYERS DIVISION

UNITED STATES OF AMERICA

VS.

CASE NO: 2:20-cr-114-JES-MRM

CASEY DAVID CROWTHER

ORDER

This matter comes before the Court on Defendant's Renewed Motion For Leave to File Under Seal to Avoid Severe Prejudice to Defendant's Right to Fair Trial (Doc. #104) filed on March 17, 2021. The Court continues to find that defendant has not satisfied his burden of justifying the filing of the motion under seal. Whatever legal arguments defendant intends to make and whatever relief defendant intends to seek must be in a public filing. The Court, however, will allow defendant to file, under temporary seal, documents which defendant asserts support his legal arguments but are of a nature that they must be sealed. As defendant recognizes (Doc. #104, pp. 6-7), the Court may unseal any such submissions after review, and the Court will unseal all submissions at some point.

Accordingly, it is hereby

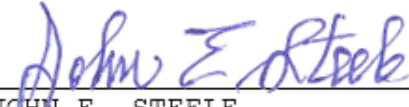

ORDERED:

1. Defendant's Renewed Motion For Leave to File Under Seal to Avoid Severe Prejudice to Defendant's Right to Fair Trial (Doc. #104) is **GRANTED in part and DENIED in part.**

2. Defendant shall file his motion by close of business today, March 18, 2021.

3. The government may file a written response, or the Court will hear the government's position at the scheduled final pretrial conference on March 19, 2021 at 3:00 p.m.

DONE and ORDERED at Fort Myers, Florida, this 18th day of March, 2021.
