Hey man, do you have time to meet today or tomorrow?

Probably tomorrow. What do we need to meet about?

A few things. Your home loan request, existing loans, PPP, everything. Won't take long.

I can meet u downtown or wherever

Ok, I'll be at my office all day working on a couple big school bids

Just give me a time. I can drive out to your office as well.

My day tomorrow is super busy. Anyway we can do over the phone? I just checked my schedule and I have a couple offsite meetings as well
