Defendant’s previously appointed counsel, Cameron C. Kuhlman, Esq., of Federal Defender Services of East Tennessee (“FDSET”) filed a Motion to Withdraw as Counsel [Doc. 3] and Reasons in Support [Doc. 7] alleging a conflict of interest. The Court finds that it is necessary for Defendant’s counsel to withdraw based upon the information contained in defense counsel’s Motion and Sealed Reasons in Support; therefore, the motion is **GRANTED**.

The Court has previously determined that Defendant is financially qualified for court-appointed counsel. As such, the Court appoints L. Dudley Senter, III, Esq., a member in good standing of the CJA panel, to represent Defendant in all further proceedings in this action.
