

UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF TENNESSEE
GREENEVILLE DIVISION

UNITED STATES OF AMERICA,

Plaintiff,

vs.

CHAD BRANDON THOMAS,

Defendant.

2:22-CR-76

ORDER

During Defendant's change of plea hearing, the Court advised parties that the United States Probation Office had found multiple vehicles that appeared to perhaps be owned by Defendant but were not disclosed when he completed his financial Affidavit. Defendant represented that he no longer owned the vehicles, noting that he lost them either in filing for bankruptcy or due to repossession. To ensure Defendant has accurately and fully disclosed his assets, the Court **ORDERS** defense counsel to file into the record a copy of Defendant's bankruptcy schedule which reflects the assets which he did not reaffirm. As to any vehicles Defendant claims were repossessed, he shall be required to provide to his counsel records reflecting the same. All documents are to be filed under seal and should be filed within seven (7) days of the date of this Order.
