Honorable
Judge Greer

Clerk, U. S. District Court
Eastern District of Tennessee
At Greenville

I am requesting your consideration for the 2 level reduction that you mentioned @ my sentencing on 8-21-23 per the 821 Amendment. I reached out to my previous court Appointed Attorney Danna Bolton & she informed my father that she no longer represents me. I meet All of the criteria having no criminal History. All of the ~~previously~~ previously pending charges/cases have been dropped or dismissed.

I finally arrived at prison in Lexington FMC on 10-12-23. Having a 0 criminal History I thought I was told by my Attorneys I would be going to a camp. With the 9mos (2 level) Reduction would make me eligible for 12 months Halfway house so that I can maximize the ~~Recidivism~~ Recidivism Reduction opportunities to get back on my feet by working. I have multiple employment opportunities in Knoxville TN working in the construction field so that I can ~~save~~ ~~get my own~~ ~~put~~ up money to get a vehicle, my own place, pay my child support & Reestablish my Relationship with my daughter & Step Son & Pay my Restitution.

The sooner that I can get there the faster I can get these things going & get my life back on Track.

I started my first business @ the age of 19 years old doing commercial & industrial concrete work & steel work on projects like Home Depot, Walgreens, Walgreens, & many State & Federal projects for US Dept of Forestry, ETSU, OVA Wise, Greenville-MR Homes.

I'm anxious to get this chapter over & get back to serving people, my communities, & working again.

Thank you for your consideration
for giving me A level reduction
in my case.

Sincerely
Chad Thomas
