Re: United States v. Chanette Lewis
21 Mj. 9354 (UA)

Dear Judge Cave:

I write with the consent of Pre-trial Services (PTS) and no objection from the Government to respectfully request that the Court modify Ms. Lewis's conditions of release to allow her to travel to the Southern District of Florida. Ms. Lewis wishes to travel to Orlando, Florida to celebrate her son's eleventh birthday from November 26, 2021 to November 30, 2021. She would be accompanied by her son, husband, and cousin. We have been in touch with PTS and will provide them the exact address, travel itinerary, and any other requested information. Ms. Lewis will attend her mental health treatment sessions as scheduled on November 25, 2021 and December 2, 2021

On October 5, 2021, Magistrate Judge Parker set conditions of release including the following: a $200,000 personal recognizance bond to be signed by 2 FRP'S (Mother to sign for moral suasion), Travel Limited to SDNY/EDNY, Surrender Travel Documents (& No New Applications); pretrial supervision as directed by Pretrial Services; Deft to Continue or Seek Employment. The conditions also include no contact with co-defendants outside presence of counsel; deft may not possess personal identifying information of others (except her children); or create any fraudulent documents; deft shall not open any new financial, business, or personal bank accounts, debit or credit card accounts, lines of credit, or loans without prior approval from PTS. On October 14, 2021, Judge Netburn added a mental health condition so that Pretrial Services could more fully work with Ms. Lewis on her care plan.

Thank you for your time and consideration.
