To: The honorable Judge Stearns. June 1, 2022

My name is Chintana Philavanh-owens, I am 35 years old and currently live in Eugene, Oregon. It is a genuine pleasure to write on behalf of my auntie Chynna Savath, to share my extensive knowledge of who she is as a person.

Although my auntie lives across the states from the family, I've witnessed how committed she is to the things she is passionate about. She runs her own business yet makes time for family and friends.

Every family member would agree with me when I say Chynna is the backbone of the family. Everyone goes to her for advice and support because she is very intelligent and full of good intentions.

Chynna is one of the most respectful, caring, positive, encouraging, smart, optimistic, nurturing and dedicated people I know.

There has never been a time in my whole life that auntie Chynna hasn't taken time to visit, whether it's for an event or just because. She stays in close contact with phone calls and video calls.

Judge Stearns I respectfully ask for your compassion during this process.

Thank you so much for your time.

Sincerely,

Chintana Philavanh-owens
