Lol. Awesome. I'll let you know in a couple of days which day works out best. I'm more looking at the weather for those days and picking a day without rain. Since your things will get walked across the street.

+ [REDACTED] 0044 - Hi again!

Been getting everything organized for Tuesday, and it's looking like we'll need three stops:

--Move stuff from Rosebury apartment to Southwood, one street over

--Take two pieces of furniture to my folks' storage unit on Page

--Pick up a table from my grandpa's house in Ballw

3 stops is doable. It'll be
a long day but we'll get it
done. What furniture are
you taking to storage? We
may need to rearrange
things if it's two bigger
pieces. It wasn't a lot of
room left in the storage
unit when I was there a
couple of weeks ago. But
we'll get it figured

They went from 2 units down to one. But we'll get it in there. No worries. Lol

Your dad said that there was no point in having 2 units and we all consolidated them into one unit. That lasted 2 weeks. Lol
