Subject: [EXTERNAL] RE: Filings to Place Under Seal ASAP
Date: Tuesday, December 2, 2025 8:00:24 AM

Good morning,

We have locked down the documents for entry number 31 on 25-cr-76 as requested. The entry cannot remain under seal without a motion for leave to file under seal though. A motion for leave to file either the entire entry or those specific exhibits will need to be filed. If only those exhibits need to be sealed and you plan to file the memorandum with the public exhibits, please let us know so that we may enter ECF 31 in error as well.

Thank you,

CAUTION - EXTERNAL:

Good afternoon,

I filed the attached documents last week, and although they are redacted, upon further reflection, I believe they need to be placed under seal asap. Can you please help me place these exhibits under seal?

Thank you very much for your assistance.

Regards,
