

MOTION FOR 30 DAY EXTENSION FOR APPEAL.

August 24th, 2023.

DANIELA RENDON

CASE # 23-CR-20036-MOORE.

VS.

United States Of America.

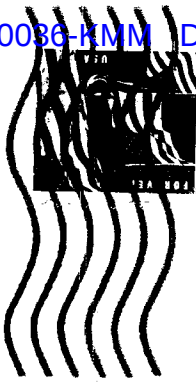

Dear Honorable Judge Kevin M Moore,
I, Daniela Rendon, petition the court
Pro-se for a 30 day extension to
my direct appeal due to the ineffective
counsel of previous attorney Robert
Mandell. He failed to correctly review
the discovery with me, also failed to make
objection on PSR as I indicated him, lastly
He did not disclose his arguments presented
to you at sentencing hearing with me.
Leaving important matters not discussed.

I would like to petition the court to be
assigned a public defender for further
proceedings including the direct appeal
process, because Mr Mandell refused further
representation unless a payment of \$20,000
is made. All of my funds have been exhausted.

Daniela Rendon.
