Your Honor:

My name is Dena Daniels, and I am a licensed attorney in Florida and Georgia. I have been blessed to call Desmond Williams my best friend for nearly 30 years. Desmond has always been a loving and caring friend since we first met as 4-year-olds in the youth department at Mt. Olive Missionary Baptist Church in Jasper, FL.

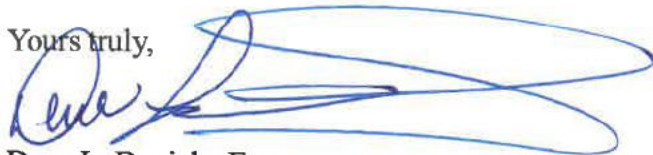

Desmond has been involved in several community initiatives that focus on the youth. He uses his life story, struggles, and choices to impart knowledge and to encourage and motivate the youth of Hamilton County to make better choices than he has. I have watched him grow, develop, and mature as a father, a friend, a son, and a man and I am extremely proud of the person he has grown into.

That is why I am writing this letter to defend Desmond, because he has always been a respected person in the community, and a genuine person to everyone he has come across. Desmond has been someone I consistently and constantly depend on. I know most people share a story that shows why an individual is a good person, however, he has shown up for me on so many occasions that I could write a book. Furthermore, the fact that I am writing this letter is proof that I believe him to be a good person, being that I am willing to associate my name and reputation with him. I am willing to make that sacrifice because I truly believe that he is a good person that has made not so good choices at times.

It is unfortunate that he is in this situation. However, it is obvious to me that Desmond will do all that he can to resolve this situation without further problems and is sorry for any damage or inconvenience he has caused. Although he has faced some challenges over the years and made some bad decisions, I truly believe that he has learned from his mistakes and has made a complete turnaround of his life for the better.

I hope that this letter can some way convince the Court that Desmond is a good person, and this testimony will be taken into consideration.

Yours truly,

Dena L. Daniels, Esq.

From,

Jacaris Stubbs

To whom it may concern,

I am writing on behalf of Desmond Williams. Mr. Williams and I have been friends for years. In this time, he has shown to be a responsible man and a reliable member of the community.

In general, Mr. Williams has worked for me at Tru Vibes Clothing Store for a year now. In my interactions with him, I've found him to be a reliable employee. When he began I had him only working on the register greeting customers and promoting but I found him capable of doing more so he started printing T-Shirts after a couple of days of him doing online training he was conducting orders.

In addition to our friendship, he has a strong sense of duty, which he applies to his job, family and community. He possesses a great deal of integrity and exceeds to make sure he is always doing the right thing.

I can confirm that in all the time I have known him he has been a reliable, trustworthy and respectable person.

Sincerely,

Jacaris Stubbs

To whom this may concern,

I have known Desmond Williams for over 10 years, he is an astounding person overall. His love for the community has been shown throughout his presence and most importantly his work. Desmond has been involved with helping the community rebuild for better, hands-on action with the kids near and surrounding counties which includes back to school drives, sports training, as well as weekend and summer activities for them.

Mr. Williams is a delightful father and friend and will lend a helping hand whenever wherever he can. He has a therapist type of listening ear, very understanding, and gives great advice. His kids treasure him; you couldn't tell who loves who more. Very involved in his children's daily lives from his teenage son's after school homework, football, girls, driving lessons all the to his toddler daughter's tot ball, dancing, and learning new things.

Overall Desmond is an amazing person who comes from a loving family that shares great morals, raised with respect for others no matter who they are, and with good christian values. During the course of knowing him I have learned of the remarkable person he is and will continue to be.

Sincerely,
Kianna Bristol

Your Honor,

Hello, my name is Jeremy Mincey. I am a former 10 year NFL veteran, Philanthropist ,and graduate of the University of Florida. I am writing you to speak on the behalf of Desmond Williams. Desmond has helped me do charity work in communities all over the United States. He takes great pride in helping children make the right decisions and life choices. I understand that we all make mistakes in life as so I around his same age and phase. He takes heed in shortcomings and learns from mistakes of others, but I assure you he has the heart of gold.

He works very diligently at never becoming a statistic and making the best of what he is blessed with. I'm sure he meant absolutely no malice with the decisions he made. Sometimes a man's ambition and lack of knowledge can cost him dearly. He is a Good Samaritan, and his freedom is far more of importance to the community than his incarceration. I pray you grant him your mercy.

God Bless,
