CLERK'S MINUTES – BOND REVOCATION

Counsel present and Defendant is present with counsel.

Defendant appearing via a summons on a Petition for Action on Conditions of Pretrial Release.

Defendant advised of rights, charges, penalties, etc.

Government addresses violations of pretrial release and does not request detainment. Defendant responds.

Court grants continued release of Defendant on the same conditions previously set forth in the Order Setting Conditions of Release. The Court adds one condition of release that Defendant have no contact with the victim moving forward consistent with what the state court has already ordered and will enter an Order Modifying Conditions of Release.

Government further addresses Petition filed by Pretrial Services and requests anger management evaluation or counseling as case is pending. Court denies the same.

11:02 AM hearing adjourned.
