MINUTES – STATUS CONFERENCE

Case called; appearances taken.

Defense makes ore tenus motion to continue trial for 60 days and to extend the pretrial motions deadline.

The Government does not object to the continuance.

Defense stated a Waiver of Speedy Trial will be filed on the docket.

The Court grants the ore tenus motion to continue trial to the August 2022 trial term, setting a July 12, 2022, status conference and extending the pretrial motions deadline to June 10, 2022.

After considering all the factors, including those set forth in 18 U.S.C. § 3161(h)(7)(B), and for the reasons stated on the record, the Court finds that the ends of justice served by granting such a continuance outweigh the best interest of the public and the defendant(s) in a speedy trial. The Court, therefore, determines that the time from today until and including **August 31, 2022** shall be "excludable time" pursuant to 18 U.S.C. § 3161(h).

Court adjourned.

Time in court: 9:35am – 9:37am = 2 minutes.
