MINUTES – Status Conference

Case called; appearances taken.

Defense informed the Court this case will likely settle but they need more time to go through discovery. Makes ore tenus motion to continue the trial for 60 days.

The Government does not object to the continuance.

The Court sets the case for the October 2022 trial term and a Status Conference for September 13, 2022, at 9:30am (to be set by separate notice).

After considering all the factors, including those set forth in 18 U.S.C. § 3161(h)(7)(B), and for the reasons stated on the record, the Court finds that the ends of justice served by granting such a continuance outweigh the best interest of the public and the defendant(s) in a speedy trial. The Court, therefore, determines that the time from today until and including **October 31, 2022**, shall be "excludable time" pursuant to 18 U.S.C. § 3161(h).

Court adjourned.

Time in court: 9:34am – 9:37am = 3 minutes.
