

Your Honor,

5-22-22

I have known Donna Clark for 5 years now. We both live in the same complex. We instantly bonded as friends, and in the last year and 1/2 Donna has truly been a rock for me. She has been doing all of my shopping and has been honest to the last penny.

I would absolutely trust her with my life.

Donna has been challenged by so many life altering issues through the years and has come through in spite of those. She is a strong christian woman who lives her faith and would not knowingly do anything illegal. She has truly been scammed, and doesn't have the where with all to repay any penalties.

This entire process has been such a strain on her and I hate to see what it's doing to her. I asked Donna to write this for me because of my eye sight.

Your Honor,

I am writing to you to let you know that I have been happy to be Mrs. Donna Clark's friend since the summer of 2017, when she first moved into my apartment complex.

Since 2017, we have formed a sort of bond. I have found her to be of good moral standing and of good character, helping neighbors out to the utmost extent. Whenever I need her, she's there. I just hope I can adequately reciprocate in our friendship of many years to come.

Sincerely,

S. Peterson

Your Honor,

Hello, I am Judy Chadd,
a friend of Donna Clark. We have
been friends for 35 years and we
were pregnant at the same time with
our boys, that's how we keep up
with how long we've known each
other. We see each other at least
once a month, due to distance. We
have gone through a lot together
and we've never had a cross word.
I feel very blessed to have a friend
like Donna Clark, she has always
been there for me. Donna is very
naive and gullible, as am I. She is
also very dependable and has always
worked hard to provide for her children and
to make sure her kids and family
have a decent home and food on
the table.

Respectfully,
Judy Cathryn Chadd
