

**UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF FLORIDA  
WEST PALM BEACH DIVISION**

**CASE NO. 24-80103-CR-CANNON**

**UNITED STATES OF AMERICA,**

Plaintiff,

vs.

**DUSTIN SEAN MCCABE**

Defendant.

/

**ORDER GRANTING JOINT MOTION TO CONTINUE TRIAL  
AND ASSOCIATED DEADLINES**

**THIS CAUSE** comes before the Court upon Defendant Dustin Sean McCabe's Joint Motion to Continue Trial and Associated Deadlines [ECF No. 20]. The Court has reviewed the Motion and is otherwise fully advised. Following that review, it is

**ORDERED AND ADJUDGED** that Defendant's Motion [ECF No. 20] is **GRANTED** for the reasons stated in the Motion, including the acknowledgement by Defendant that the period of this continuance should be excluded under the Speedy Trial act to serve the ends of justice [ECF No. 20 ¶ 5]. As a result, the Court finds that the period of delay resulting from this continuance—*i.e.*, from the date the Defendant's Motion was filed, October 17, 2024, to the date trial commences—is excludable time under the Speedy Trial Act. *See* 18 U.S.C. § 3161.

The parties shall adhere to the following pre-trial and trial schedule:

1. Calendar call will be held on **Tuesday, December 10, 2024, at 1:45 pm**. The case is set for **Jury Trial** during the two-week trial period that begins **December 16, 2024**, in the Fort Pierce Division.
2. All pre-trial motions and motions *in limine* must be filed by **November 7, 2024**. Each

CASE NO. 24-80103-CR-CANNON

party is limited to filing one motion *in limine*. If there is more than one Defendant, Defendants shall file a combined motion.

3. All other instructions set forth in the Court's Omnibus Order Setting Trial [ECF No. 14] remain in effect except as modified by this Order.

**DONE AND ORDERED** in Chambers at Fort Pierce, Florida, this 21st day of October 2024.
