MIDDLE DISTRICT OF FLORIDA
FORT MYERS DIVISION

UNITED STATES OF AMERICA

v.

CASE NO. 2:21-cr-107-SPC-MRM

EDRICA LEANN WATSON

UNITED STATES' MOTION TO CONTINUE SENTENCING

The United States of America moves to continue the sentencing hearing in this case currently set for June 21, 2022 for a period of 30 days, and in support of its motion states as follows:

The United States recently received additional information responsive to a grand jury subpoena that had previously not been provided. The information relates to the defendant's two additional PPP applications, only one of which is mentioned in the presentence report. Additional time is requested so that the United States can review those documents and provide that information to all parties, to include the United States Probation Office.

Before filing this motion, the undersigned attempted to confer with Watson's counsel regarding the request for a continuance but had not received a response as of the filing of this motion.

WHEREFORE, the United States of America requests a continuance of the currently scheduled sentencing hearing for a period of 30 days or longer.

Respectfully submitted,

ROGER B. HANDBERG
United States Attorney
