STATUS CONFERENCE**

Case called; appearances made by counsel.

For the reasons stated on the record, Defendant's Oral Unopposed Motion to Continue Trial is **Granted**, with no objection from the Government. Continuance is contingent upon defense counsel filing a waiver of speedy trial through the January 2026 trial term.

After considering all the factors, including those set forth in 18 U.S.C. § 3161(h)(7)(B), and for the reasons stated on the record at the status conference, the Court finds that the ends of justice served by granting such a continuance outweigh the best interest of the public and the defendant in a speedy trial. The Court, therefore, determines that the time from today, November 13, 2025, until and including January 31, 2026, shall be "excludable time" pursuant to 18 U.S.C. § 3161(h).

Jury trial set for January 5, 2026, trial term.

Status Conference set for December 11, 2025, at 10:00 AM.

New plea deadline set for December 18, 2025.

Court is adjourned.
