ORDER

After a hearing conducted by remote means, with the Defendant's consent, the Court GRANTED IN PART and DENIED IN PART Defendant's Motion for Modification of Bond Conditions. Specifically, the Court denied Defendant's request for elimination of his travel restriction but the Court indicated, as explained in more detail in the hearing, that it would consider any discrete requests the Defendant may present for specific, limited trips necessary to accommodate filming-related projects that the Defendant may wish to participate in, with verification.

The Court also denied Defendant's request for relief from the bond condition prohibiting contact with witnesses, for the reasons stated in more detail in the hearing, with the exception that Defendant may engage in written correspondence with the banks involved in this case to request copies of his or his companies' banking records.

Otherwise, Defendant's request for modification of conditions of release was denied.

IT IS SO ORDERED this 8th day of September, 2020.
