

IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF GEORGIA
ATLANTA DIVISION

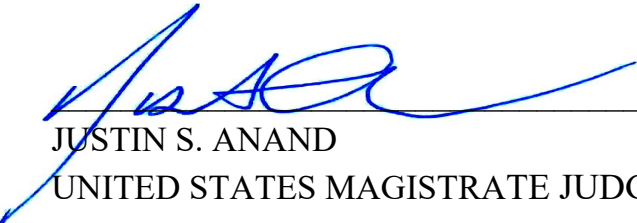

UNITED STATES OF AMERICA :
 :
 :
 v. : CRIMINAL CASE NO.
 : 1:20-CR-00228-MHC-JKL
 MAURICE FAYNE :

ORDER

The Court has received an email from the Defendant dated September 28, 2020, indicating that a written motion has been mailed to the Court, requesting permission to travel to Arkansas for purposes of participating in a series of paid “video shoots” beginning tomorrow, September 30, 2020, through October 7, 2020. The Defendant has previously been advised against requesting such relief in the form of email communications. Further, this “video shoot” request does not qualify as an emergency and therefore cannot be presented to the Court the day of or before proposed travel. Thus, the request is **DENIED**.

The Court and the Government require sufficient time to verify the proposed travel and Defendant’s living arrangements and Defendant’s inappropriately last-minute non-urgent request is deficient in that regard. The paperwork submitted is also insufficiently vague as to where the “video shoots” will be located and where Defendant will reside during this time. Future requests to travel such as these require at least Fourteen (14) days advance notice and must be made by written motion.

IT IS SO ORDERED this 29th day of September, 2020.
