UNITED STATES DISTRICT COURT FOR THE
NORTHERN DISTRICT OF GEORGIA
ATLANTA DIVISION

CASE #1:20-CR-000228

UNITED STATES OF AMERICA	)	NOTICE OF FNMWHFIT/
	)	NOTICE OF SUCCESSORSHIP/
V.	)	NOTICE OF NON-ADVERSE PARTY/
	)	NOTICE OF INTEREST/
DANIEL ERIC JAY	)	STATEMENT OF INTEREST
	)	NOTICE OF COURT'S LOSS OF JURISDICTION

The undersigned declarant, Daniel-Eric, a member by sanguinity of the Jay family, being first duly sworn, hereby deposes and says:

I am proceeding sui juris, via special appearance, reserving all rights, waiving none, as Beneficiary, non-adverse party and original grantor of the trust: DANIEL ERIC JAY.

I am over the age of eighteen, suffer no legal disabilities, have personal knowledge of the facts set forth below, and am competent to testify.

Declaration 1. The Defendant in the above named action is a legal entity, a trust, incorporated into the UNITED STATES corporation (see 28 USC 3002 (15)(a)) on or about July 21, 1976. Declarant has no record or evidence that Daniel-Eric: Jay is not CFR 26 Subtitle A Chap 1 Subchapter J Part 1 Subpart E Section 672 (b) non-adverse party and believes no such evidence exists.

Declaration 2. Declarant has no record or evidence that on the Nativity date of July 21, 1976, the mother, acting as agent for Daniel-Eric: Jay, did not grant the State, a corporation known as PENNSYLVANIA, a sub corporation of THE UNITED STATES, a sub corporation (incorporated in 1871 by The Act to Incorporate the District of Columbia) of the UNITED KINGDOM, a name/birth for the documentation and to form a corpus resulting in a certain FNMWHFIT (Fungible Non Mortgage Widely Held Fixed Income Trust) as defined in section 301.7701-4c of the regulations of the Internal Revenue Service, 26 CFR, and believes no such evidence exists.

Declaration 3. Declarant has no record or evidence that DANIEL ERIC JAY, a trust, Account #174-64-9418, did not become a United States person under the Internal Revenue Service regulation 7701 (a) (30) (e) and did not become a corpus in fact from the granting by the mother, acting as agent at birth for baby boy, grantor of the boy baby, and believes no such evidence exists.

Declaration 4. Declarant has no record or evidence that a Trust Interest Holder (TIH) is not a grantor, co-trustee or co-beneficiary holding at least one interest, including but not limited to that of middleman, in the Trust as applies per IRS General Instructions for forms 1098/1099/5490 and W2G, and believes no such evidence exists.

Declaration 5. Declarant has no record or evidence that any outside approval is needed for the grantor to appoint by will the income of the Trust as per 26 CFR Subtitle A Chap 1 Subchapter J Part 1 Subpart E Section 674 (b) (3) and believes no such evidence exists.

Declaration 6. Declarant has no record or evidence that he does not have an Interest in the *cestui que* trust established by the application for, and resulting issuance of, a Social Security number and also *the foreign situs trust* as evidenced by the birth certificate being on file/in the possession of, as a registered United States security, the Depository Trust Company in New York City, and believes no such evidence exists.

Declaration 7. Declarant has no record or evidence that declarant's long since acquired knowledge of the trust formed at the reading of 26 CFR 300.7701 and 26 USC 671 through 679 (partially from which the Plaintiff's claim derives) did not also put the now alleged, and mistaken, defendant in the position of grantor and beneficiary of said trust, and believes no such evidence exists. Declarant has now expressed the trust mentioned and modifies/changes the terms of said trust to include a provision that private funds/credit may be accepted as lawful payment and/or payment may be directed from the above described *Fungible Non-Mortgage Widely Held Fixed Income Trust.* As grantor/beneficiary, the declarant, using his administrative powers of a beneficial owner, appoints, the Court to assist in settling the account(s) by providing details/instructions as to the preparation and submission of, to the Court, the proper documentation and paperwork required for settlement/closure in EQUITY.

Declaration 8. Declarant has no record or evidence that declarant may not direct a disbursement/payment, **by simple signature of acceptance** of balance owed, to equitably settle any and all controversy before the Court, and believes that, in accordance with Declaration 5 above, no such evidence exists.

Declaration 9. Declarant is absent capacity to make any decisions for the Trust such as entering a "plea" for he is NOT the Trustee, and is absent capacity, as Beneficial owner and non-adverse party to take responsibility for the trust known as: DANIEL ERIC JAY.

Declaration 10. Attorney Meghan Cambre constructively took upon herself the duty of Trustee and entered a plea of NOT GUILTY, without the approval of this beneficial owner and became responsible for the debts of the Trust. A trustee is absent capacity to confer responsibility of a trust upon a beneficiary and to do so is a dereliction of duty (crime).

Declaration 11. The Trustee of the trust known as DANIEL ERIC JAY is THE UNITED STATES, therefore, the Beneficiary Daniel-Eric can only accept from the Trustee any charge made to the Trust, DANIEL ERIC JAY, and return the charges for settlement and discharge against the corpus/res of the Trust which is in the possession and control of the Trustee, THE UNITED STATES. Daniel-Eric rescinded all controversy and accepted all documents, bills, and writings from the UNITED STATES but Attorney's for the Trust had them struck from the record, without the permission or approval and against the wishes of the Beneficiary.

Declaration 12. Whereas there is NO controversy before this Court regarding the above captioned action, ALL subject matter jurisdiction is lost. The Court remains with the inherent jurisdiction to recognize these truths and further declare the same.

Declaration 13. Whereas the Beneficiary, as a flesh and blood, living man, recognized by the Court, has numerous "due process" rights that have been refused to be recognized by this same District Court in the above captioned case, the en personum/personal jurisdiction over the man, Daniel-Eric: Jay has been lost.

Declaration 14. Whereas Declarant has previously accepted and returned for settlement and discharge all offers, writings, documents, sent to him by the UNITED STATES, the controversy was settled pursuant to Declaration 11, Declaration 8 and Declaration 5 aforementioned above

Declaration 15. The District Court, when asked, has refused to inform the Beneficiary/ Declarant Daniel-Eric, of the nature and the cause of the allegation as required by the Sixth Amendment to the Constitution for The United States of America and the US CONSTITUTION. Whereas, the allegation has been repeated to this Declarant, the nature has been withheld by all judges including Mark Cohen. Therefore, the Declarant can only assume that this court is operating under a secret, foreign enemy jurisdiction, and has lost all personal jurisdiction over the Beneficiary and Declarant Daniel-Eric: Jay.

Declaration 16. Declarant/ Beneficiary Daniel- Eric: Jay does NOT reside within the U.S. nor any federal corporate zone. Daniel- Jay is domiciled on the land more commonly known as Pennsylvania in contradistinction to THE COMMONWEALTH OF PENNSYLVANIA.

Declaration 17. The Declarant Daniel-Eric: Jay has not seen any evidence nor has any been presented to him that the corpus/res of the Trust, known as DANIEL ERIC JAY, is not the entire account receivable owed by THE UNITED STATES to the Beneficiary, Daniel-Eric: Jay, where THE UNITED STATES is the debtor/ Trustee and the Beneficiary is the creditor to THE UNITED STATES, and he believes no evidence to the contrary exists.

Declaration 18. Declarant has not seen any evidence nor has any been presented to him that agents of the Trustee of the Trust known as DANIEL ERIC JAY have NOT attempted to raid and plunder the res of this Trust, arrest and incarcerate the Beneficial owner in an effort to deprive the Beneficiary of his beneficial enjoyment of the corpus/res of the Trust, force upon him while in prison a dangerous gene therapy drug (a death jab) and thus, unjustly enrich these rogue agents with no further interference from the Beneficiary, and the Declarant believes no evidence exists to the contrary.

Declaration 19. The Declarant has not seen any evidence nor has any ever been presented to him where a Debtor can rule over and charge a Creditor with true bill, invoice, or check that cannot be simply offset and discharged with an accounting adjustment, and he believes no evidence to the contrary exists.

Declaration 20. The Declarant has not seen any evidence nor has any been presented to him that these same rogue agents, including but not limited to Mark Cohen, Alan Baverman and John Larkins have not attempted to criminally raid and plunder this Trust, DANIEL ERIC JAY, expecting to receive $95,000 and $55,000 per count on the indictment, respectfully, and he

believes no such evidence to the contrary exists.
(see attached CRIS report)

I, Daniel- Eric:Jay do hereby declare and affirm that the foregoing document was authored by me and is true, accurate, complete and not misleading under the penalty of perjury to the best of my knowledge and belief.

Respectfully submitted:
