

UNITED STATES DISTRICT COURT
DISTRICT OF NEW HAMPSHIRE

United States of America

v.

Criminal No. 23-cr-15-JL-TSM

Heath Gauthier

ORDER

Within seven days from the date of this order, counsel shall jointly file a stipulation setting forth the applicable periods of (a) elapsed time and (b) excludable time under the Speedy Trial Act, 18 U.S.C. § 3161, et seq:

- as of the final date of any currently pending period of excludable delay (if applicable);
- if possible, as of the currently scheduled trial date.

This filing shall state how many days remain on the Speedy Trial Clock. Counsel may include as much (or as little) explanatory material as they wish, but the first and/or last line of the stipulation should clearly state the number of days remaining on the Speedy Trial Clock as of the scheduled trial date.

The stipulation need not contain long narratives or explanations. Even a simple chart will suffice. It need only specify OR list any periods of excludable delay, accompanied by statutory or case citations supporting the exclusion.

If the parties are in disagreement as to any of these periods of elapsed time or excludable delay, the joint filing shall present their respective positions in parallel columns.

SO ORDERED.
