Case No: CR 323-003

3:23-cr-00003-DHB-BKE

REF: Request For Appointed Counsel

I hereby request you to appoint me a public defender attorney. I have worked hard to retain an attorney but unable to afford costs of a private attorney. At this point, my family is bearing the burden of taking care of my six children. We have interviewed various attorneys but the costs are so high.

I understand that the court has to review my financial information to determine eligibility. Kindly provide me with the representation I dire need so I can file objection to the presentence investigation Report. I need to file objection but need an attorney to do so.

Thank you for consideration.

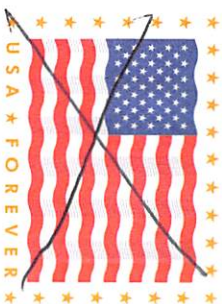

Sincerely,
Gladys Harun
