WITNESSES:

SENTENCE:

Order

☒ Pursuant to the Due Process Protections Act, *see* Fed. R. Crim. P. 5(f), the government is directed to adhere to the disclosure obligations set forth in *Brady v. Maryland*, 373 U.S. 83 (1963), and its progeny, and to provide all materials and information that are arguably favorable to the defendant in compliance with its obligations under *Brady*; *Giglio v. United States*, 405 U.S. 150 (1972); and their progeny. Exculpatory material as defined in *Brady* and *Kyles v. Whitley*, 514 U.S. 419, 434 (1995), shall be provided sufficiently in advance of trial to allow a defendant to use it effectively, and exculpatory information is not limited to information that would constitute admissible evidence.

The failure of the government to comply with its *Brady* obligations in a timely manner may result in serious consequences, including, but not limited to, the suppression or exclusion of evidence, the dismissal of some or all counts, adverse jury instructions, contempt proceedings, or other remedies that are just under the circumstances.
