UNITED STATES OF AMERICA, Respondent.	:	CIVIL ACTION NO. 1:23-CV-03612-SEG-CMS

ORDER

Movant Harrescia Hopkins filed a motion to vacate, set aside, or correct sentence pursuant to 28 U.S.C. § 2255. (Doc. 44). However, Movant does not clearly describe her claims, as the only thing she states is “misrepresentation” in that she “was not represented with all documentation given” and that “it was best not to mention certain facts concerning the case in court.” (*Id.* at 6). Movant must provide additional details so that the Court can better understand the claim that Movant seeks to raise. In addition, Movant did not properly sign or date her motion. (*See id.* at 13).

Accordingly, it is **ORDERED** that Movant must, within 30 days of the entry date of this Order, submit an amended § 2255 motion. Movant is instructed to complete in detail the 28 U.S.C. § 2255 form motion provided to her by the Clerk of Court with this Order, add no more than 10 pages to the form, and write clearly

and on only one side of each page. Movant is advised that her amended motion shall supersede and replace her previous pleadings in this case.

During the pendency of her case, Movant must keep the Clerk of Court advised of her correct address at all times. Movant is admonished that this action shall be subject to dismissal if she fails to submit an amended motion within the specified period of time, fails to comply with any other of the Court's orders, or fails to keep the Clerk of Court advised of her current address at all times while this action is pending. *See* LR 41.2(B), 41.3(A)(2), NDGa.

The Clerk of Court is **DIRECTED** to forward a 28 U.S.C. § 2255 motion form to Movant, together with a copy of this Order. The Clerk is further **DIRECTED** to resubmit this action to the undersigned upon receipt of the amended petition or at the expiration of the aforementioned time period.

SO ORDERED, this 22nd day of August, 2023.
