The Honorable Judge Marcia Cooke

Re: United States vs David Tyler Hines

Dear Judge Cooke:

I am writing this letter on behalf of David Tyler Hines regarding the above-referenced matter.

I am David's grandmother. I have obviously known him all his life and I am so blessed to have him as my grandson, and I am so proud of the young man he has become.

David was raised in a Christian home with Christian influences from his entire family, including of course, his mother, his Great Grandmother, his uncle, Paul Lewis, his aunt, Lisa Arango and myself. David has always tried to be respectful and mindful of being a good person and doing the right thing. David is very close to his family and has always demonstrated love and loyalty to all of us, especially being a loving supporting husband to his wife, Georgette, and a devoted father to his step-son, Patrick.

David has a very tender heart and has expressed his sorrow and remorse for his actions and his responsibility in this matter set before Your Honor. I know that through his strong faith and the full support of his family and loved ones, he will find the strength and courage to accept the consequences of this matter.

Thank you for your time and attention to the above.

Sincerely,

*Rebecca Strickland*
