Re: Character Reference for Imeesha Miller

To Whom this may concern,

I cannot imagine what kind of legal battle Imeesha can possibly get into but as a local Pastor within the city of Jacksonville, FL, it is an honor to write this Character Reference letter. Imeesha Miller, is a consistent member within our congregation and I've found her to be faithful. Within the time that I've known her she has exuded great integrity within the congregation for someone her age and many have become encouraged by her ability to approach challenges with resolve. She has become a staple within our congregation.

In my observation, she is extremely accountable and she is trustworthy; she leads in her department with empathy and her ability to embrace without bias, is admirable.

There is no doubt within me, and I am confident that her integrity goes beyond the congregation, and I earnestly believe that she is a well-rounded person of character, or my letter would not have been presented.

If there is anything that I can do, or if you need to contact me personally, please reach out to me and I will avail myself to discuss further, (904) 993-4912.

Sincerely,

A handwritten signature in orange ink that reads 'Kenya J. Miller'.

Dr. Kenya J. Miller,

Senoir Pastor
