To Whom It May Concern:

This letter is to serve witness as a personal letter of character reference for Jessica Nutter. I have known Mrs. Nutter for approximately 14 years. In that time, I have found her to be hardworking, kind and reliable.

Mrs. Nutter is a true public servant. She has a heart for individuals with disabilities. She serves with the On Purpose Program in St. Albans, WV as the assistant director. The goals she strives for is to promote inclusion for special needs adults within the community of St. Albans. She organizes walking programs, craft nights, book clubs and parade participation; along with many other events.

Additionally, she works with the Kiwanis in St. Albans, WV. She strives to help Kiwanis work with local public school children to encourage and develop better communications with one another, and the community, and by helping the students realize they are the hope for a stronger tomorrow. With Kiwanis help, Mrs. Nutter has been able to work in charitable endeavors to arrange for a public school to have a washer and dryer to wash clothes for needy families and for helping to build an all-inclusive playground for the community school children residing in Ordinance Park.

In her professional career, Mrs. Nutter serves the Kanawha County School special needs children as a bus aide. These special needs children depend on Mrs. Nutter to buckle them in to safety, disability car seats, seat belts, and also properly securing their wheel chairs. This

position is a specialized one, requiring special training, and is a position that is difficult to find workers for. Mrs. Nutter can be considered an essential worker.

In her personal life, she is a loving wife, a mother of two children, and a very active, supportive aunt to her 2 nephews. She also helps emotionally support for aging mother. Additionally, she is a vital support system to a family who only trusts her to babysit for their special needs son when they have to do errands on the weekends.

As I hope you can ascertain from this letter that Mrs. Nutter is a caring, active member of the St. Albans community. It is my sincere hope you will agree with this statement in your decision making process.

Sincerely,

Charles Ferrell

Your Honor,

I am Kaylee Daugherty, Jessica Nutter's Daughter. I am writing this Character witness letter on behalf of my mother. I have had the pleasure to have Jessica as my mother. Jessica is the most selfless person I know. Since I was little I can only remember my mom giving my brother and I nothing less than the world. She has always put herself last just to make sure everyone around her is taken care of and happy.

Jessica has the strongest work ethic of anyone I know. She currently works three jobs to always make sure my brother and I have everything we need and want no matter what. She is always showing her willingness to others. She works with special need students every day to help them feel extra loved and special. She has the biggest heart. She is a huge help in our community. She is always volunteering, uplifting, always putting smiles on everyone's faces. I have no doubt that she will forever be a positive influence on everyone around her.

I wholeheartedly believe Jessica
is genuinely remorseful for her actions.
She would've never done any bad act
on purpose. She only ever does anything
out of the kindness of her heart to
make sure her family is always taking
care of. I am fully confident that
my mother will make every effort to
fix her mistake. I need my mother
around for so many big life events.
I am getting married in less than
a year and I couldn't imagine not
having my mother right by my side
through everything. She is my best
friend and I couldn't imagine doing
anything without her. I am writing
you this letter today to consider making
a decision. She wholeheartedly regrets
the decision she made and would do
anything to fix it.

Thank you for your time and consideration.

Sincerely,
Kaylee Dougherty

To whom it may concern,

I am writing to provide a character reference for Jessica Nutter, who is my wife, and I have known for 20 years. I am aware of the charges brought against her and the upcoming court proceedings, and I believe it is important to share my perspective on her character and conduct.

I have had the privilege of witnessing Jessica demonstrate unwavering integrity, compassion, and responsibility throughout our years together. Jessica has consistently shown respect for others, treating individuals from all walks of life with dignity and kindness. Jessica is always willing to go the extra mile to help people in need.

Jessica is a mother of 2 children, and she has done an outstanding job raising them. Jessica is always busy doing things with our children. She is currently helping our daughter plan her wedding. Also helping our son with his schoolwork which he is doing good with. Jessica is known to drop anything she is doing for the kids.

Jessica is well involved in our community, she is over the Saint Albans On Purpose. Which is a program for the special needs citizens in the Saint Albans area. She plans events and activities to help keep them doing things throughout the city. She has been a part of this organization for the last three years. She is also a member of the Saint Albans Kiwanis Club, has been a member of this organization for the last year. They raise money for children in the community. They have recently raised enough money to replace some of the broken playground equipment at one of the local parks in our city.

I kindly request the court's consideration of Jessica Nutter's overall character and previous contributions to society. I am confident that she will continue to positively contribute to the community. I firmly believe that Jessica deserves an opportunity to repay the money and be given a second chance.

Thank you for taking the time to review this letter.

Sincerely,

Robbie Nutter
